2020

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Father David Cloake.

**Our value this week is Reverence.**

*"Submit to one another out of reverence for Christ." Ephesians 5 v 20*

**Dear Parents,**

We have sounded the "Stay Inside" alarm three times this week, which has helped all the children and staff become familiar with the tone of it. We will have a whole-school practice of what we would need to do if the Stay Inside Alarm were to go off for real on Thursday 13<sup>th</sup> February. The teachers will rehearse with the children what they will need to do in readiness for the alarm to go off and we will review the practice afterwards to see if we need to adapt or amend our procedures.

We have our second Infant Movie Night tonight, so please make sure if your child is coming along that they bring any medication that they would normally have here at school and that they are picked up on time at the end. I'm very grateful to the School Association for all the planning and organisation that has gone in to the event.

You may have noticed some new carpet tiles in the corridors of the building that are being laid at present. They were donated to us by IID Architects, who are based in Richmond. We are very grateful for their generosity, and also to W & L Building Contractors who sourced them for us.

Please keep an eye out for an email from Mrs May that will be sent next week giving details of how to book your Parent Interview appointment. Please don't forget that if you would like to book your child into the crèche on either night (for the early appointments), then you will need to let Mrs May know the date and time (and how many children if you have siblings).

The Boys' Football Team are taking part in a tournament run and organised by Brentford FC on Monday so we wish them all the best.

Have an enjoyable weekend.

**Mr Corke**

### LDBS CIRCLE OF PRAYER

The school that we will be praying for next week is St Stephen's in Shepherd's Bush.

### THE TIMESTABLES CHALLENGE

Each week, children from different houses will be invited to come to the Reception classroom at 12pm on Tuesday lunchtime to test their knowledge of the timestables. Year 6 Timestables Champions will be on hand to support you to recite your multiplication tables and compete timed challenges. There are three levels of achievement – Stage 1, Stage 2 and Stage 3. For each stage there will be three levels to complete – Bronze, Silver and Gold. Children may attempt a maximum of two levels per week (depending on how busy it is). They will receive one reward each time they attempt the Timestables Challenge and one reward when a level is completed.

For each stage they will need to know and demonstrate fluency in different multiplication tables:

- Stage 1 – x2, x5, x10
- Stage 2 – x3, x4, x6
- Stage 3 – x7, x8, x9

Bronze, Silver and Gold certificates confirming secure understanding at each level will be awarded in Celebration Worship once each of the three stages has been achieved.

To achieve Bronze, children must recite each of the tables in the stage. They may self-correct but will have only two attempts. There is no time limit.

To achieve Silver, children must complete a timed multiplication challenge within one minute.

*Please remember that Bishop Perrin is a nut-free school.*

To achieve Gold, children must complete a timed multiplication and division challenge which requires knowledge of factors and multiples within three minutes

Children will be given a personal record card which should be kept safe because this will be a record of how well they are doing as well as help to learn the multiplication tables.

This is an example of the Stage 1 Silver Challenge. Can you complete the grid in less than one minute?

### COULD YOU BE A TIMESTABLES CHAMPION?

Parents and Carers – if you are not already volunteering your time to support children with their reading, please consider spending some time helping children to practise their multiplication tables. If you are available during the course of the week to spend 10 minutes with individual children to increase their fluency of multiplication tables, please let me know. Thank you, Miss McAvoy.
