If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Father David Cloake.

Our Value this week is Peace.

"Blessed are the peacemakers, for they shall be called sons of God." **Matthew 5:9**

Dear Parents,

I hope you found some time to rest and relax over the half term. With the weather now getting colder, please make sure your child has a warm, dark coloured, waterproof coat to wear with gloves and hat in line with the Uniform Policy.

We have been speaking to the children about Remembrance this week, and will continue to do so next week. It has been lovely to see so many children with a different range of poppies, which they are all wearing with pride. We will be holding a two minute silence on the playground on Monday, for which the children are always very respectful. I would like to thank Mr Lang (Snr), Holly and Charlie's Grandad, who has been in school this afternoon to talk to Year 6 about Armistice Day.

Please keep an eye out for an email from us about our Carousel Parent Workshop Evening on Wednesday 20th November. The email will give details about all the different workshops that are being run, all for free, and details of how you can book onto the workshops you want to attend. There is a cap on the amount of people we can have at each of the workshops, so please book on quickly to avoid missing out. If you have any questions about booking on to the workshops, please speak to Mrs May in the Office. Some of the workshops are repeats of the ones last year, but you will be able to get an idea of the content of all the different workshops in the email, so please read through it and speak to the member of staff who is running the workshop if you need any clarity.

We have our first set of football league matches next week for the boys and girls on Tuesday, against Chase Bridge, with the girls then taking part in the Borough Football Tournament the following day. We wish them all the best in their matches!

We have a busy six weeks coming up until the end of term, so please make sure you read the newsletter carefully for all the key dates, as the newsletter and the school website are the single sources of information from us as a school.

Have a restful and warm weekend.

Mr Corke

EARLY NOTIFICATION OF SPRING TERM PARENT INTERVIEWS

The dates for the Spring Term Parent Interviews are Tuesday 4th and Wednesday 5th February.

After the positive feedback from those parents who were able to take advantage of the longer time slots if their child was on our SEN Register after our recent Parent Interviews, we will repeat the early closing of the school **on Tuesday 4th February when we will finish at 2.15pm. There will be no after-school clubs on Tuesday 4th and Wednesday 5th February**, so unless your child will attend The Club (Heathfield's after-school child care club), all children will need to be collected at 2.15pm on Tuesday 4th February.

Parent Interviews will then start at 2.30pm on Tues 4th and 3.15pm on Wednesday 5th. Please make a note of these dates in your diaries. Thank you for your help and support in helping us facilitate these crucial meetings for parents whose children are on the SEN Register.

ONLINE SAFETY RESOURCES FOR PARENTS

Online safety is a key theme that is taught to all the children at Bishop Perrin through their PSHE and Computing curriculum lessons. These lessons are taught throughout the year and we will also discuss online safety in especially dedicated assemblies and workshops. We will be sharing with you over the course of the year resources that can help and support you discuss online safety with your child at home, as it is very much a partnership between parents and school to teach our children how to be safe online.

The National Crime Agency have an excellent website called "Thinkuknow" and we will be sharing some of their online safety resources with you so you can share them with your child or learn more yourself about online safety. Please click through on the links below to access some weblinks. Each set of videos has guidance and discussion points to share with your child. We hope you find them helpful and informative.
