## Headteacher's Hello

Dear parents and carers,

To help reunite lost property items with their rightful owner, starting on Monday (and on the last Monday of every month), we will be putting the lost property items out on a table in the forecourt before school, and the playground after school, for parents and carers to have a look through to see if they can identify any missing items. As always, it is very helpful in identifying the owner of lost property if it has a name clearly written in it. If the item is secondhand, please ensure the original owner's name is crossed out and replaced with the current owner's - thank you.

It is with much regret that I inform you that Madame Goalen will be leaving us at the end of this term. Madame Goalen has been teaching at BP for a few years now, and we will miss her engaging and exuberant French lessons and her dedication to helping children to learn a foreign language. Madame Goalen is moving out of the area in pursuit of exciting new adventures, and we wish her all the very best.

Have a lovely weekend,

Miss Macklearn

After the success of our inaugural Careers Day last year, we will be holding our Y5 & 6 Career day on Friday 24<sup>th</sup> May and we want to make it even bigger and better than before. The event will take place between 1:30PM and 3:00PM. If you, a family member, or friend are interested in volunteering to speak about a career, please email the school office [info@bishopperrin.richmond.sch.uk](mailto:info@bishopperrin.richmond.sch.uk) with your career type and a brief description that we can share with the children to help them select which speakers to visit. ### Measles

Measles is very infectious and can spread from person to person quickly, especially in education and childcare settings. Little can be done to prevent measles spreading if people are unvaccinated. The MMR vaccination is the most effective way to control the spread of measles. We are sharing the attached measles factsheet with you to raise awareness. It's a good idea to check that your families are up to date with MMR vaccines. Parents and carers can check their child's red book for their vaccination records. If anyone has missed their MMR vaccination, they can contact their GP to book.
