

Literacy

Key Text:

'Beegu' by Alexis Deacon

'The Man on the Moon' by Simon Bartram

Writing: To write a fantasy story and a detailed personal recount.

Reading: To recognise and start to use alternative ways of pronouncing the graphemes that have already been taught.

Spoken Word: To develop their ability to read their writing aloud in front of their teacher and their peers.

Text and Word: To investigate regular plural noun suffixes specifically -s or -es (eg dog-dogs, wish-wishes)

Punctuation: To learn how to use question marks appropriately.

Sentence structure: The children will continue to compose simple sentences to communicate meaning. They will also consolidate their knowledge of the use of capital letters and full stops when punctuating their sentences.

Maths

Addition and Subtraction:

- To solve one step problems that involve addition and subtraction, using concrete objects and pictorial representations and missing number problems.
- Read, write and interpret mathematical statements involving +, - and =.

Geometry:

- To recognise and name common 2D and 3D shapes including rectangles, squares, circles, triangles, cuboids, pyramids and spheres.
- Describe position, direction and movement including whole, half, quarter and three quarter turns.

Number (Place Value)

- Count in multiples of 2's and 5's.
- To identify and represent numbers using objects and pictorial representations including the number line, and use the language of: equal to, more than, less than (fewer), most, least.

YEAR 1 – Miss Lang

OUT OF THIS WORLD

Autumn 2

CURRICULUM INFORMATION

RE

This half-term the children will learn about God's rules for living. They will also be looking at the Christian Nativity Story and how it is written in the Bible.

THEME

Theme name: Out of this World

Subject Driver: Art/DT

In this theme, the children will be creating clay aliens in **DT**. In **Art**, the children will learn about Vincent Van Gogh and replicate his artistic style when creating paintings of the sky and space. In **History**, the children will learn about space exploration and Neil Armstrong, the first man to walk on the moon. In **Music**, the children will create melodies and tunes to depict a fantasy land. They will learn how to pick appropriate instruments to suit their compositions. The children will be learning about the similarities and differences between people in **PSHE**. In **Science**, the children will be beginning to ask simple scientific questions and recognise that they can be answered in different ways. They will also be learning about seasonal changes

PE: Net and Wall Games & Dance

COMPUTING: The children will learn how to use a paint package to create a picture. Save and print with help.

If you have any queries about other aspects of the curriculum that are not covered here, please see your child's class teacher or take a look on the [school website](#).
