Anti-Bullying Policy

This policy is based on DfE guidance [“Preventing and Tackling Bullying” July 2017](#) and supporting documents. It also considers the DfE statutory guidance [“Keeping Children Safe in Education”](#). The setting has also read Childnet’s [“Cyberbullying: Understand, Prevent and Respond: Guidance for Schools”](#).

1) Policy Objectives

This policy outlines what Bishop Perrin School will do to prevent and tackle all forms of bullying. The policy has been adopted with the involvement of the whole school community. Bishop Perrin School is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2) Links with Other School Policies and Practices

This policy links with several school policies, practices and action plans including:

- Behaviour policy
- Complaints policy
- Communication Policy
- Child Protection and Safeguarding policy
- Confidentiality policy
- Acceptable Use Policies (AUP)
- Online Safety
- Curriculum policies, such as, RSHE/RSHE, PSHE, Computing
- Social media policy

3) Links to Legislation

There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):

- The Education and Inspection Act 2006, 2011
- The Equality Act 2010
- The Children Act 1989
- Protection from Harassment Act 1997
- The Malicious Communications Act 1988
- Public Order Act 1986.

4) Responsibilities

It is the responsibility of:

- The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.

- Governors to take a lead role in monitoring and reviewing this policy.
- All staff, including governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Pupils to abide by the policy.

5) Definition of Bullying

- Bullying can be defined as ‘behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally’, DfE ‘Preventing and Tackling Bullying’.
- Bullying can include physical and emotional abuse such as name calling, taunting, mocking, making offensive comments, kicking, hitting, taking belongings, producing offensive graffiti, gossiping, peer isolation (e.g. excluding people from groups) and spreading hurtful and untruthful rumours.
- The same unacceptable behaviours can be expressed online; this is sometimes called online bullying or cyberbullying. Specifically, this can include sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bishop Perrin School recognises that bullying can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.
- Bullying is recognised by Bishop Perrin School as being a form of child-on-child abuse; children can abuse other children.
 - Abuse is abuse and it should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”.
 - We recognise that even if there are no reports of bullying, it does not mean it is not happening and it may be the case that it is just not being reported.
 - All victims will be taken seriously and offered appropriate support, regardless of where the abuse takes place.

6) Forms and Types of Bullying Covered by this Policy

Bullying can happen to anyone. This policy covers all types and forms of bullying including but not limited to:

- Bullying related to physical appearance
- Bullying of young carers, children in care or otherwise related to home circumstances
- Bullying related to physical/mental health conditions
- Physical bullying
- Emotional bullying
- Sexualised bullying/harassment
- Bullying via technology, known as online bullying or cyberbullying

- Prejudiced-based and discriminatory bullying (against people/pupils with protected characteristics) which may include:
 - Bullying related to race, religion, faith and belief and for those without faith
 - Bullying related to ethnicity, nationality or culture
 - Bullying related to Special Educational Needs or Disability (SEND)
 - Bullying related to sexual orientation (homophobic / biphobic bullying)
 - Gender-based bullying, including transphobic bullying
 - Bullying against teenage parents (pregnancy and maternity under the Equality Act).

Staff at Bishop Perrin School recognise racism, faith-based prejudice and other discrimination as harm in its own right and that discriminatory behaviour may have a significant impact on a child's welfare, wellbeing and sense of safety. As such, it is managed alongside the School's Child Protection and Safeguarding Policy.

7) School Ethos

The Bishop Perrin School community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.

By effectively preventing and tackling bullying our school can help to create a safe environment, where pupils are able to learn and fulfil their potential.

Our Community:

- Understands the importance of challenging inappropriate behaviours between peers.
- Monitors and reviews our anti-bullying policy and practice on a regular basis.
- Supports staff to promote positive relationships to help prevent bullying.
- Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
- Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
- Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
- Requires all members of the community to work with the school to uphold the antibullying policy.
- Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
- Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy.
- Seeks to learn from good anti-bullying practice elsewhere.

- Utilises support from the Local Authority and other relevant organisations when appropriate.

8) Responding to Bullying Concerns

The following steps will be taken when dealing with any incidents of bullying reported to the school:

- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- If a child feels that they have been impacted by bullying behaviour, then they should let their class teacher or another trusted member of staff know as soon as possible.
- If a parent feels that their child has been impacted by bullying behaviour then they should inform the school immediately by contacting the school (via email or phone) and requesting a meeting or phone call with their child's class teacher to inform them of their concerns.
- The DSL will be informed of all bullying concerns, especially where there may be additional safeguarding issues.
- The headteacher, Designated Safeguarding Lead (DSL) or another appropriate member of leadership staff will interview all parties involved.
- A clear and precise account of bullying incidents will be recorded by the school in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.
- The school will speak with and inform other staff members, where appropriate.
- The school will ensure parents/carers are kept informed about the concern and action taken, as appropriate and in line with child protection and confidentiality policies.
- Appropriate consequences and support, for example as identified within the school behaviour policy and child protection policy, will be implemented in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, for example the police if a criminal offence has been committed, or Community-based Early Help if a child is felt to be at risk of significant harm.
- Where the bullying of or by pupils takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated and responded to in line with this policy, our Online Safety Policy and the school behaviour policy. If required, the DSL will collaborate with DSLs at other settings and with the local safeguarding board.

Cyberbullying

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied, and work with the person who has carried out the bullying to ensure that it does not happen again.

- Encourage the person being bullied to keep any evidence (~~screenshots~~) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems
 - identifying and interviewing possible witnesses
 - Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and the school behaviour policy. (We will access the [DfE 'Searching, screening and confiscation at school'](#) and [Childnet cyberbullying guidance](#) to ensure that the school's powers are used proportionately and lawfully).
 - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.
- Where an individual can be identified, the school will ensure that appropriate sanctions are implemented to change the attitude and behaviour of the bully, as well as ensuring access to any additional help or support they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply.
 - providing advice on blocking or removing people from contact lists.
 - helping those involved to consider and manage any private information they may have in the public domain.

Dealing with Allegations of Bullying Behaviour

When the school is made aware, by a child, a parent/carer or a member of staff of an allegation of persistent bullying behaviour being instigated by a child or group of children towards another child or group of children, then the following steps are taken:

- In the first instance, once a disclosure has been made that a child or group of children are being subject to bullying behaviour, an initial investigation will be carried out by the class teacher to establish the facts
- The investigating class teacher will take notes of the investigation, which, depending on the outcome of the investigation, may be kept for evidence
- If the allegations of bullying are unfounded but it is established that the instigator/s has/have been misbehaving, the investigating class teacher will record this on CPOMs, including the consequence/s that have been put in place

- If the allegation of bullying is unfounded, the investigating class teacher will speak to the parents/carers of the child/ren who have made the allegation and update them as to the outcome of the investigation and to agree steps forward for support as appropriate. They will also speak with the parents of the child who the allegation was about to inform them of the situation and to agree steps for support as appropriate.
- If the allegation of bullying behaviour is founded, the investigating class teacher will inform SLT about the incident. In this situation, the member of SLT will take over responsibility of the investigation from the class teacher.
- The member of SLT will follow up on the initial investigation by the class teacher and speak to both the individual/s impacted by the behaviour and the instigator/s. The member of SLT will communicate with the parents/carers of the individual/s impacted by the behaviour and the parents/carers of the instigator/s. They will record the incident on CPOMs and file any notes from the investigation.
- If the allegations of bullying are found to be proven, then the following consequences will be considered, depending on the severity of the bullying incident. Consequences that will be considered include, but are not limited to:
 - Missing out on privileges
 - Missing some or all of playtime/s
 - Working in another classroom
 - Working outside the senior leadership offices
 - Separating the instigator/s from the individual/s impacted by the behaviour and their peer group for a specified period.

Supporting Pupils

Pupils who have been bullied will be supported by:

- Reassuring the pupil and providing immediate pastoral support.
- Offering an immediate opportunity to discuss the experience with their teacher, the DSL, or a member of staff of their choice.
- Being advised to keep a record of the bullying as evidence and discuss how to respond to any further concerns.
- Working towards restoring self-esteem and confidence.
- Providing ongoing support. This may include working and speaking with staff, offering formal counselling, engaging with parents and carers.
- Where necessary, working with the wider community and local/national organisations to provide further or specialist advice and guidance; this could include support through Early Help or support through the Children and Adolescent Mental Health Service (CAMHS).

Supporting Adults

Our school takes measures to prevent and tackle bullying among pupils; however, it is equally important to recognise that bullying of adults, including staff and parents, whether by pupils, parents or other staff members, is unacceptable.

Adults who have been bullied or affected will be supported by:

- Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the headteacher.
- Advising them to keep a record of the bullying as evidence and discuss how to respond to future concerns.
- Where the bullying takes place off school site or outside of normal school hours (including online), the school will still investigate the concern and ensure that appropriate action is taken in accordance with the schools' behaviour and discipline policy.
- Reporting offensive or upsetting content and/or accounts to the service provider, where the bullying has occurred online.
- Reassuring and offering appropriate support.

- Establishing whether a legitimate grievance or concern has been raised and signposting to the school's official complaints procedures.
- If online, requesting that content be removed.
- Instigating disciplinary, civil or legal action as appropriate or required.

- Recognise that bullying may be affected and influenced by gender, age, ability and culture of those involved.
- Openly discuss differences between people that could motivate bullying, such as: children with different family situations, such as looked after children or those with caring responsibilities, religion, ethnicity, disability, gender, sexuality or appearance related difference.

- Implement appropriate consequences and opportunities for learning; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

The school community will:

- Train all staff, including teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures, including recording and reporting incidents.
