

Bishop Perrin CE Primary School Assessment Data 2021 - 25

Although not required to report end of year assessment results through to the Department of Education at the end of the 2021 academic year, as a school, we carried out our own internal assessments using previously published nationally accredited tests and frameworks. These results can be seen below in the respective charts and tables, although there are no progress measure data for our Year 6 class. There is no data for the end of the 2020 academic year either as the school was still operating under Covid restrictions and we were unable to carry out internal assessments with the children, as directed by the Department for Education. Where it has been published, you can compare Bishop Perrin School data against national figures.

Early Years Foundation Stage (EYFS)

A Good Level of Development (GLD) is defined as a pupil who has achieved the Early Learning Goals in the three Prime Areas of the EYFS Profile (Communication and Language, Personal, Social and Emotional Development and Physical Development) plus the specific areas of Literacy and Mathematics.
