YEAR 2

Fire! Fire!

Autumn 2

CURRICULUM INFORMATION

RE

- Bible stories – The Nativity Story
- ✚ What Christians believe about the Nativity
 - ✚ The importance of the characters
 - ✚ Christian living, the Church, ordinary people
- Saints
- ✚ What are the qualities needed to be a saint?

THEME

Theme name: Fire! Fire!

Subject Driver: History

In this theme children will learn about the Great Fire of London. In **History** they will be looking at famous historical figures like Guy Fawkes, Samuel Pepys and King Charles II. They will investigate the causes of the Great Fire of London and learn about why the fire spread so quickly. They will learn about what life was like in 1666. In **Science** children will learn about life processes. They will look at things that are living, once living and non-living. In **Art** children will create their own images of fire and analyse the differences between art mediums and techniques. They will learn about primary colours and changing the tone of colours. In **Music** the class will be learning about different composers. They will listen to music and reflect on what they have heard. In **PSHE** the children will be learning about bullying and appropriate and inappropriate touch.

PE: Fitness

COMPUTING: Coding

The children will create a computer program using simple algorithms. They will learn how to debug simple programs.

If you have any queries about other aspects of the curriculum that are not covered here, please see your child's class teacher or take a look on the [school website](#).
