

## Bishop Perrin CE Primary School KS2 Pupil Acceptable Use Agreement

*These rules will keep me safe and help me to be fair to others.*

1. **I learn online** – I use the school's internet and devices for schoolwork, homework and other activities to learn and have fun. I only use apps, sites and games if a trusted adult says I can.
2. **I am a responsible learner**- I will not bring files into school without permission or upload inappropriate material to my workspace. I ask permission at home and school to use apps and sites.
3. **I am a friend online** – I won't share anything that I know another person wouldn't want shared, or which might upset them. If I know a friend is worried or needs help, I will remind them to talk to an adult, or even do it for them.
4. **I am a secure online learner** – I keep my passwords to myself. I reset them if anyone finds them out.
5. **I am careful what I click on** – I don't click on links I don't expect to see and only download or install things when I know it is safe or has been agreed by trusted adults.
6. **I ask for help if I am scared or worried** – I will talk to a trusted adult if anything upsets me or worries me on an app, site or game. I tell my parents what I do online so they can trust me.
7. **I know it's not my fault if I see or someone sends me something bad** – I don't need to worry about getting in trouble, but I mustn't share it. Instead, I will tell someone.
8. **I know new online friends aren't always who they say they are** – I am careful when someone wants to be my friend. Unless I have met them face to face, I can't be sure who they are. If I want to meet them, I will ask a trusted adult, and never go alone or without telling an adult.
9. **I don't do public videos and live streams on my own** – and only go on a video chat if my trusted adult knows I am doing it and who with. I know what I put on the internet can stay forever so I will protect my online reputation.
10. **I am private online** – I only give out private information if a trusted adult says it's okay.
11. **I keep my body to myself online** – I never change what I wear in front of a camera and remember that my body is mine and mine only. I don't send any photos without checking with a trusted adult.
12. **I say "No" online if I need to** – if I get asked something that makes me worried or upset or just confused, I say no, stop chatting and tell a trusted adult.
13. **I am a rule-follower online** – I know that apps, sites and games have rules on how to behave, and some have age restrictions. I follow the rules, only use the ones I am allowed to use, and report bad behaviour. 13+ and 18+ apps aren't appropriate for me as I am too young.
14. **I am not a bully** – I do not post, make or share unkind, hurtful or rude messages/comments and tell my trusted adults if I see these. My online activity outside of school will only have a positive effect on my learning and relationships during school time.
15. **I am part of a community** – I do not make fun of anyone or exclude them because they are different to me. If I see anyone doing this, I tell a trusted adult.
16. **I respect people's work** – I only edit or delete my own digital work and only use words, pictures or videos from other people if I have their permission or if it is copyright free or has a Creative Commons licence.
17. **I am a researcher online** – I use safe search tools approved by trusted adults. I know I can't believe everything I see online, I know which sites to trust, and I know how to double check information I find.
