

Celebrating learning together in faith, hope and love

Job 14 v 7 - At least there is hope for a tree: If it is cut down, it will sprout again, and its new shoots will not fail.

13/12/2024

Headteacher's Hello

Dear parents and carers,

The children have been working hard this week, demonstrating how much progress they have made this term as they have completed their assessment tasks. These will be marked over the next few weeks, and will be sent home at the end of the first week of the spring term, so you can see how your child is getting on.

Year 6 have been doing Bikeability all week. They have been out and about on the local roads, learning how to ride their bikes safely. The instructors have reported back that they have been very sensible and have listened well. Congratulations to everyone who completed the course this week.

Year 3 had a fantastic, albeit very chilly, visit to Stonehenge on Wednesday. They took part in a workshop and visited the Stones: a wonderful opportunity to learn about this aspect of our nation's history. Thank you to Miss Lawrence, Miss Lancaster, Mrs. Lambrias and Mrs Kelly for accompanying the children on the visit and making it possible.

This week we welcomed Marie Newman (our School Improvement Partner) and Angela Langford (Head of Governor Support) into school to conduct a communications review. They met with children, staff, parents and governors and looked at the different means with which we communicate information throughout the school. It was a very positive experience, with lots of strengths noted. We are now taking the recommendations from the report forward and these will form the basis of a communications policy, which will be published early next year.

We would very much appreciate some volunteers to accompany the children on the journeys to and from the swimming pool for their swimming lessons next term. If you have any time available between 9-11 on a Monday morning for any of the dates, and would be able to help, please let the school office know.

And so we look ahead to a week full of Christmas festivities next week! It's a very busy time of year, so please see later in the newsletter for details of what is going on. A reminder that any children in Year 5 or 6 who usually walk home, if they are intending to come along to the Christmas Fair, arrangements must be made for them to be accompanied by an adult.

Thank you for all your kind donations of Christmas boxes for our Refuge Appeal. Once again, we have been overwhelmed by your generosity. All of the boxes will go directly to a women's refuge to support families who have fled domestic abuse and will help bring some Christmas cheer on Christmas morning. Thank you!

Well done to Emerald House who have earned the most rewards this term for excellent work and good behaviour. As a reward, all the children in Emerald House do not have to wear their school uniform to school on Monday (16th December).

Have a lovely weekend,

Miss Macklearn

Attendance

Friendship: 96.17% Endurance: 99.58%, Peace: 95.91%, Forgiveness: 94.01%, Reverence: 98.34%, Service: 95.45% and Justice: 96.28%

Attendance this term

Next Friday, we will be giving certificates to children who have had excellent attendance this term. In the past, we have done this for 100% attendance during the term. However, there are times when a child is absent through no fault of their own due to illness, so this year excellent attendance (98% or above, with no unauthorised absences) will be recognised in our celebration assembly at the end of term.

Is my child too ill for school?

If your child is unwell, they should not be in school. Please see [here](#) for guidance on when it is ok to send your child into school if they are feeling a little under the weather, or when to keep them at home.

In collective worship this week...

We continue to discuss how our school vision is lived out in school every day. Please see our [website](#) to learn more about this.

On Monday, we talked about being prepared for Christmas and the time of Advent.

On Tuesday, Year 4 led the class worship all about what the school vision means to the children.

On Thursday, we welcomed Mr Nimmo (governor) who led the children to consider what it would be like if it was Christmas every day and what makes this celebration special.

We need adult walkers to help us walk to and from the service; please let the school office know if you can help. Year 3 and 4 will be leaving school at approximately 11:45am, with the other classes leaving school from 12pm onwards. The children will have an early lunch on that day, and will return to school after the service, ready for an early pick-up at **2pm**.

End of Term - Early Closing

Friday 20th December is the last day of term. The school will close at 13:50 for Reception class and 14:00 for Years 1 – 6. Please collect your child at the earlier times.

Christmas Cards

This is a reminder that for a number of years now, we have refrained from encouraging children to send a Christmas card to each member of their class in school. This decision was the result of an environmental initiative led by our Green Team, as often the cards get left in the classroom, thrown away, etc. Instead, children are encouraged to send a card addressed to the whole class and the teacher will display it in the classroom for them. Of course, if you wish for your child to send a card to individual children in the class, please make arrangements to deliver them outside of school. Thank you.

Celebrations and Achievements

Well done to the children who have earned a certificate this week:

School Trips Payments / Permissions

Unless otherwise stated, children should wear school uniform for school visits (this includes school shoes). Children should bring a bag (school bag or other) to carry their packed lunch and water bottle in. Packed lunches should not contain any form of nuts (this applies to children and adult volunteers); no fizzy drinks or glass bottles. If details vary to this they will be provided below within the specific trip section.

Year 1 Trip to Windsor Castle

Year 1 will be visiting Windsor Castle on Friday, 31st January, where they will explore the historic site, learn about its significance, and take part in activities that complement their classroom learning. Further details will be shared as soon as they are available.

Faith Ambassadors from Year 3-6

On the 30th January, the Faith Ambassadors from Year 3-6 will attend the LDBS Annual Service at St Paul's Cathedral. The service is from 2-2.45pm and we will be travelling by train and tube. We will be leaving school at around midday.

Children will need to bring a packed lunch that can be eaten on the train (preferably with rubbish then disposed of to prevent having to carry bags into the cathedral so everything needs to be disposable.) Children will also need to bring a water bottle (also preferably disposable). Due to the finish time of the service, we will not return to school until 4.15-4.30pm. Please provide consent via SCOPAY.

Year 5 & 6 Visit to Turing House School

On Tuesday 17th December, Years 5 & 6 have kindly been invited to attend Turing House School's Christmas concert. The children will leave school just after lunch and return for 3.15pm. Please ensure that they have a suitable coat to wear. As this is a local trip, you do not need to complete a permission slip.

Whole School

The whole school will be attending a Christmas pantomime, Cinderella, at The Exchange, Twickenham, on **Wednesday, 18th December 2024, at 1pm**.

Reception, Year 1 and Year 2 will travel to the theatre in a coach. Year 3, 4, 5 and 6 will travel by train. The cost of the pantomime tickets have been subsidised by funds kindly donated by the School Association. The cost of the trip will be more for those travelling by coach to accommodate the additional cost of coach travel: train travel is free. All children will return to school after the performance, due back at approximately 3:45pm.

Please log in to your child's SCOPAY account to complete permission and payment for this visit.

If your child will not be attending the pantomime, please email the office to let us know so we can plan accordingly.

Safeguarding, Wellbeing & Inclusion

Flu and Norovirus

With flu and norovirus cases on the rise, here are four simple steps to help keep your child healthy this winter.

1. Teach good hygiene habits: Encourage children to wash their hands regularly and use a tissue to catch coughs and sneezes to stop the spread of germs.
2. Know when to keep your child at home: Children can still attend school with symptoms such as a runny nose, sore throat or slight cough, but should stay home if they have a high temperature, diarrhoea and vomiting. Read [NHS guidance](#) to help you decide.
3. Stop the spread of stomach bugs: Stomach bugs spread easily in schools. If you or your child have diarrhoea and vomiting, wash hands with soap and warm water regularly and clean surfaces with bleach-based products. Keep children away from school until they have not been sick or had diarrhoea for at least 48 hours.
4. Get vaccinated: All school-aged children are eligible for a free nasal spray flu vaccine, which is painless and quick to administer. An injectable vaccine is also available for some children, such as children that cannot consume pork gelatine. The South London Children and Young People's Community Immunisation Service (CYPCIS) are attending schools to provide flu vaccinations.

If your child misses their school vaccination session, you can visit a community clinic. For more information, visit the [CYPCIS website](#).

Increase in short-sightedness in children

Research suggests that the global prevalence of short sightedness (myopia) is increasing. It is now twice as common as it was 50 years ago and children are becoming short-sighted at younger age. Yet, over 20% of parents have never taken their children for an eyetest.

The Royal College of Optometrists recommend that to prevent short-sightedness from getting worse children, particularly those aged 5 to 12 should spend at least 2 hours a day outside, minimise screen time and when using a screen it should be no less than 30cm in front of the face.

They also recommend that parents/ carers access free eye tests at an optician. Click [here](#) to read more.

Managing Christmas sensory overload

Whilst the festive period is a time for celebration, it can also be a challenging time for children and adults alike. For many children, young people and adults, this time can be filled with emotional and sensory overwhelm: an increase in noise; multiple voices; crowds; social expectations; changes in routine; flashing lights; different textures brought into the house; loud and busy music and surprise gifts. There are a number of resources available on the [Wellbeing page](#) of the school website from the national Autistic Society and Beacon House to support families.

Safety over the festive season

Please see the information later in the newsletter about how to encourage safety over the festive season which include:

- Monitoring digital activity
- Setting boundaries for gifts
- Addressing stress and fatigue
- Being aware of allergies
- Maintaining safe decorations
- Creating travel safety plans
- Prevent the spread of illness

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin Primary School, these should be reported to the Designated Safeguarding Lead who is Miss McAvo. In her absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The school's safeguarding governor is Mrs James.

If you are concerned about the safety of a child outside of school hours, please contact the police if the child is in immediate danger, or Richmond and Kingston Single Point of Access (SPA) on 020 8547 5008.
