

Celebrating learning together in faith, hope and love

1 Corinthians 13 v 13 - And now these three remain: faith, hope and love. But the greatest of these is love.

Friday 9th January

Headteacher's Hello

Dear Parents and Carers,

Happy New Year! Welcome to the new school term at Bishop Perrin School. I hope you and your families had an enjoyable Christmas break and found some time to rest and relax amongst all the festivities.

It has been lovely to welcome the children back to school this week, full of excitement with news about their holidays, and also being delighted to see their friends. They have got straight to work with their new themes for this term. You can find out all about what your child will be learning this term by clicking [here](#) and class timetables will be sent home today.

Thank you for your positive response to the letter I sent out earlier in the week regarding road safety around the school. I appreciate your support and co-operation with this.

We welcome Mrs Clare Parrish to our staff team for this term. She is teaching in Year 2 on a Thursday and Friday, covering Mrs Place's temporary absence while she recovers from an operation. Please see the letter sent out earlier in the week for more details of this.

Next week, we look forward to welcoming Ellen Collins (Deputy Headteacher at Turing House) to school to continue her workshop for parents about online safety, smartphones and social media. Her talk last summer was very well-received, with a number of parents who had been unable to attend requesting another opportunity to hear her talk, so we're pleased to be able to facilitate this. Last summer, this workshop sparked some very important conversations amongst parents about concerns regarding smartphones and social media, and an opportunity to build a network for you to discuss your concerns and strategies with others who are facing the same challenges. Please do come along to the workshop if you can – Friday 16th January, 9am, in the school hall.

Have a lovely weekend,

Miss Macklearn

In collective worship this week...

This week in collective worship this week we have talked about Epiphany and about setting ourselves challenges, persevering and being resilient when things don't always go to plan.

In Spanish lessons this week, the children have been learning about Epiphany celebrations in Spain on 6th January ("El Día de la Reyes Magos" - The Day of the 3 Kings). They have been finding out about the meaning of Epiphany and Spanish traditions of parades, the cake with a hidden lucky charm (el Roscon de Reyes) and how on the Eve of Epiphany, children leave their shoes out for the 3 Kings to fill with treats! We have also been talking about the language and vocabulary associated with this significant Christian celebration.

The younger years also enjoyed singing along to the traditional Venezuelan song [El Burrito de Belen](#) (The Little Donkey from Bethlehem).

Uniform Reminder

As the weather is due to remain cold, please ensure that your child is wearing a school jumper or cardigan. School fleeces are considered outerwear so should not be used as a replacement for jumpers/cardigans.

For colder weather, children should wear a suitable dark-coloured coat (black, navy, dark grey). Optional woolly hats and scarves should be a dark colour (no logos) or the school Bishop Perrin hat which is available from School Days and Just Dancing. No football scarves.

No nail polish – if children have gel polish or shellac nails applied during the holidays, please ensure they are removed before returning to school.

Required Winter Uniform

Children must wear winter uniform from October half term onwards until the Easter holidays.
Children may choose to wear winter uniform from September.

School jumper / cardigan
Plain white collared shirt
School tie (elasticated for infants and non- elasticated for juniors)
Grey knee-length skirt / pinafore / culottes / trousers / knee-length shorts
Black / grey tights or grey, black or white socks
Black school shoes
Black ankle-high plain black boots

Year 4 – Wider Opportunities

Each year, Year 4 are given the chance to take part in the Wider Opportunities programme run by the Richmond Music Trust. This year, the children will have a clarinet lesson every Monday afternoon. RMT will supply the children with an instrument to use for the sessions.

Class Assemblies – Spring Term

These are held in the school hall at 8:55am. Next term, the following classes will be presenting their class assemblies:

- Thursday 29th January – Year 3
- Thursday 12th March – Year 2

Parents and carers are welcome to attend. Please refrain from bringing drinks and snacks into the school hall during the assembly – thank you.

December Assessment Papers

In December, children in Y2 – 6 completed various assessment papers for reading; grammar, punctuation and spelling (GPS), and maths (please note that some classes do not sit all of the same types of papers; some year groups may use teacher assessment). The children will be bringing these papers home today. There will be a letter or word descriptor written on the front of some of the papers to represent the level / standard your child has achieved for this term. The letter codes are as follows:

WB = working below the standard for their year group for the autumn term

W = working towards the standard for their year group for the autumn term

E = working at the expected standard for their year group for the autumn term

G = working at greater depth standard for their year group for the autumn term

As the GPS test papers consist of two assessment papers: one grammar assessment paper and a separate spelling assessment paper, these scores will be combined and the level descriptor/letter code to show your child's current level will be written on the front of the grammar assessment paper only. Similarly, there may be more than one maths assessment paper (in some years, there are three papers). Those scores will combine to produce an overall level for maths; this will be written on the front of the arithmetic paper only.

If your child's class teacher felt that your child could not access the level of the assessment paper, they may not have completed the test. You can discuss this at the next Parents' Evening.

Y3 bread tasting lesson - Tuesday 13th January 2026

Miss Gunter is aware of any allergens, but contact her if you have any questions or concerns about the lesson.

Year 4 Design Technology

If your child has a purse at home, ideally with a coin compartment, please can they bring this in (empty) on Friday 16th January to support their D&T class. Thank you.

Safeguarding, Wellbeing and Inclusion

Keep warm and well: keeping children safe in cold weather

Cold weather can affect children and young people's health, increasing the risks of respiratory infections, and exacerbating conditions such as eczema, asthma, and mental health problems. With a few steps, we can help protect them from the cold, support families through the season, and prevent avoidable absences. For more information, see the poster included with this newsletter.

Special Educational Needs and Disability (SEND) register - AfC

AfC are excited to announce the launch of a new online customer platform for our Special Educational Needs and Disability (SEND) register. This new service is designed to make signing up and managing personal details easier for local families and young people.

What is the SEND Register?

All local authorities must keep a Special Educational SEND Register, as mandated by the Childcare Act 1989. Kingston and Richmond's register helps us and health services understand the number and types of needs of children and young people with SEND in our area. It also allows us to gather feedback from children, young people, parents, and carers to plan and improve services.

Those on the register receive information on support, services, activities, and events, as well as opportunities to influence service development. The register is a valuable resource for co-production and engagement throughout the organisation.

Celebrating learning together in faith, hope and love

Friday 9th January 2026

Dear Parent/Carer,

This is to inform you that our school continues to work in collaboration with the Metropolitan Police Service as part of their legal commitment under Operation Encompass.

Operation Encompass is the notification to schools that a child (under 18 years of age) has been exposed to, or involved in, any domestic incident. This includes incidents where the child/young person was not present but is part of the household. This will ordinarily be done by the start of the next school day.

Operation Encompass will ensure that a specially trained member of the school staff, known as a Designated Safeguarding Lead (DSL), is informed. The DSL can then use the information that has been shared, in confidence, to ensure the wellbeing of the child.

The school may be able to make provisions or adjustments to assist the child and their family.

We are keen to offer the best support possible to all our pupils and we believe this is extremely beneficial for all those involved.

If you would like more information, please visit <https://www.operationencompass.org/>

Thank you for your ongoing support,

Rachael Macklearn
