

Celebrating learning together in faith, hope and love

1 Corinthians 13 v 13 - And now these three remain: faith, hope and love. But the greatest of these is love.

Friday 18th September

Headteacher's Hello

Dear Parents and Carers,

Thank to everyone who came along to the 'Meet the Teacher' meetings this week. These are a valuable opportunity to meet your child's teacher, and become familiar with expectations for the new school year. We hope you found it useful. The slides from the meeting can be found on our school website by clicking [here](#).

For those of you who were able to attend our Leavers' Service at the end of last term, you will have seen the beautiful banner the St. Augustine's Church sewing group made for the school in honour of our 90th anniversary this year. It was blessed during the service by Reverend Helen. This banner will take pride of place in our school library, so the children can enjoy looking at it and seeing all the little references to life at Bishop Perrin School that have been included in this special gift. Our thanks to everyone who contributed to making the banner.

The children look very smart in their school uniforms. Please see later in the newsletter for some reminders about summer / winter uniform, and PE kit. A few things to be mindful of: PE shorts should be of a suitable length for school, not too short; hair accessories should be small, functional and in school or neutral colours; no jewellery please (this includes wristbands) except for a watch (no smartwatches) and one pair of stud earrings if a child has their ears pierced. Make up and nail polish are not permitted. Thank you for your cooperation with this.

We currently have a vacancy for a Clerk to Governors. Please see [here](#) for further details of this post and please share if you know someone who may be interested in the role.

Have a lovely weekend,

Miss Macklearn

In collective worship this week...

On Monday we talked about spirituality and what that means to us and our connection with the world around us. On Thursday we welcomed Chris from Soudsteps who gave a keyboard demonstration.

School News

European Day of Languages

On Monday next week (21/9), we will be celebrating the "European Day of Languages" in school. This is a recognised day, celebrating the richness of languages and cultures, not just in Europe but all around the world.

During morning drop off, parents and children are warmly welcome to write a greeting in a home language on our board at the school gates. We will then share all the different messages with the children.

During the day, will also hold a special assembly, looking at languages spoken around the world (not just Europe!) and we will also explore just how multilingual our school is!

Parents are also invited to come into school to share a story / something cultural with their children's classes over the next few weeks. Please contact your child's class teacher directly to arrange a suitable time.

Phonics workshop for parents

On Tuesday 22nd September, (3:30 – 4pm, Year 1 classroom) Mrs Beith will be holding a phonics workshop for Year R and Year 1 parents, sharing information about how the children are taught phonics and early reading at Bishop Perrin School. Later in the year, parents in Reception Class will have the opportunity to visit in-class phonics sessions in YR to see phonics sessions in action.

LBRUT Secondary School Admissions

Please click [here](#) to find the **LBR AfC Transfer to secondary school September 2027** presentation for Year 6 parents.

The **Admission to Richmond's Secondary Schools** guide and the **Richmond schools brochure** are available on the [AfC website](#). If you have questions or concerns, please email richmond.admissions@achievingforchildren.org.uk for support.

Email communication

We are noticing that we are not receiving all of our email communications, particularly from gmail addresses. If you have sent us a message but have not received a reply, please phone the school to check if we have received it. Thank you.

Pupil Parliament- Year 6

Children in Year 6 have brought home information regarding the opportunity to be elected to Pupil Parliament. Any child who would like to be elected will need to write and deliver a one minute speech to the school on the 6th of October. The theme for the speech is contained within the information that children will bring home today. The whole school will then vote and select one boy and one girl to be our school's members of Pupil Parliament. If you have any questions, please see Mrs Crinall.

Governor News

Welcome back to the new academic year!

The Governing Board met for the first time this academic year on Thursday evening. Mrs Alwyn Williams has been elected Chair of Governors for another year, with Mrs Kerry Doggett and Mr Russell Nimmo sharing Vice-Chair.

The governors were delighted to hear of the academic successes of the last academic year and pass their congratulation on to Year 6 for their excellent SATs results, Year 1 for their phonics, Year 4 for their multiplication tables check, and Reception for a great first year at school. Governors were also very pleased to note that the school had exceeded its attendance target for the last academic year.

The governors approved a number of important policies including the new [Allergy Safety in School Policy](#) (updated in line with now-statutory guidance); the updates to Mobile Phones in School in our [Communications Policy](#) and [Behaviour Policy](#), and also ratified the schools' [Anti-Bullying](#) and [Exclusion](#) Policies. Please familiarise yourself with these policies when you get a moment.

Food in Schools and Managing Allergies

To help us in managing allergies in school, we are a nut-aware school, and nut (and sesame) products not allowed in school or on school trips. For more information, please click [here](#).

Fruit and vegetable snacks are provided for morning break for children in Year R – Y2, and KS2 children can bring snacks into school for morning playtime but they must be a healthy snack (fruit or vegetables only – we can no longer allow cheese, to help us manage dairy allergies).

Parents and carers are requested to refrain from giving after-school snacks to their children until they have left the school premises. Thank you for your cooperation with this.

For more information, please see our [Allergy Safety in School policy](#).

Workshops & Drop-ins:

- Making Sense of Big Feelings: A neuro-inclusive workshop on understanding emotions and safely de-escalating meltdowns. (Barnes CC: 6 Oct | White House FH: 9 Nov)
- Digital Parenting: Down-to-earth strategies to manage screen time, gaming, and navigate online risks like AI. (Ham CC: 17 Nov | Heathfield CC: 16 Dec)
- Stay and Play Drop-ins: Informal spaces for parents to get quick, face-to-face advice while their children play. (Ham: 24 Sept | Barnes: 6 Oct | White House: 9 Oct | Sunflower: 10 Nov | Heathfield: 10 Dec)

Short Courses (2–4 weeks):

- Playful Parenting (Under 5s): 2 sessions focusing on building strong parent-child attachment and healthy emotional growth through play. (White House FH: 16 & 23 Oct)
- Parents In Conflict: A 3-week targeted course focusing on constructive communication and reducing the impact of relationship disagreements on children. (Ham CC: 1 Dec – 15 Dec)
- Talking Teens: 4 sessions exploring adolescent brain development, breaking down communication walls, and setting boundaries. (Powerstation YC: 28 Sept – 19 Oct)

Longer Programmes (6–10 weeks):

- Teen Life (National Autistic Society): A specialized 6-session programme for parents of autistic 10–16 year olds, focusing on communication and independence. (Ham CC: 6 Nov – 11 Dec)
- The Nurturing Programme: A 10-week evidence-based course for primary-aged families, looking at the 'why' behind behaviours and positive discipline. (Heathfield CC: 23 Sept – 2 Dec)

Man & Boy

There are a few places left on the next MAN&BOY weekend adventure camp. The camp gives boys aged 8 - 12 and the important man in their life the chance to get away, try new things and spend proper time together. Over two nights, they'll take on outdoor challenges, build confidence, have fun and, most importantly, have time to strengthen their relationship away from the distractions of everyday life.

October camp is just the start of what MAN&BOY offers. Throughout the year, the programme gives boys and the men who matter to them opportunities to have fun, try new things, build confidence and strengthen their relationship through activities and adventures. If you would be interested in a referral, please speak to Miss McAvoy.

MANAGING DIGITAL BOUNDARIES FOR CHILDREN UNDER FIVE

Screens are part of everyday life, but they should not take over early childhood routines. For under-fives, healthy digital habits are built through simple, steady boundaries that protect sleep, play, connection, and development. Current UK guidance advises avoiding screen time for children under two – except for shared activities such as video calls – while children aged two to five should ideally have no more than one hour a day.

1 ASK A GROWN-UP FIRST

For under-fives, autonomy is important, but not when it comes to choosing digital content. Establish an 'ask a grown-up first' rule early, whether at home or in an early years setting. Adults should choose the video, app, or game, therefore helping children avoid unsuitable content and understand that devices are tools to be guided, not toys to control.

2 PROTECT SLEEP BUFFERS

Screens can make it harder for young children to wind down, especially when content is bright, noisy, or fast paced. Aim for a screen-free hour before sleep or start with 30 minutes if that feels more realistic. Use this time for calming routines such as stories, bath time, quiet play, or cuddles, helping children recognise that bedtime is approaching.

3 CO-VIEW AND CHAT

Screen time is safer and more meaningful when adults are involved. Sit with children, even briefly, and talk about what they're watching. Ask simple questions like, "What can you see?" or "How does that character feel?" This turns passive viewing into shared interaction, supports language development, and helps adults spot adverts, unsuitable content, or confusing messages.

4 KEEP DEVICES HIDDEN

Young children are more likely to ask for screens when they can see or reach them. Keep devices out of sight when they're not being used, and consider casting content to a shared screen instead of handing over a phone or tablet to a child. This reduces private scrolling, supports shared viewing, and helps adults stay in control of what appears next.

5 PLAN THE TRANSITION

The hardest part of screen time is often stopping. Before the screen goes off, tell the child what's coming next and offer two acceptable choices, such as blocks or drawing. This gives them a sense of agency without removing the boundary. A planned next activity prevents a sudden gap, which can quickly become frustration or distress.

6 LEAD BY EXAMPLE

Children notice adult habits long before they understand adult explanations. If they're expected to put their screens away, they need to see adults doing the same thing during meals, play, and conversations. Create a shared 'phone home', such as a basket or shelf, to show that technology has a place in daily life but does not need constant attention.

7 MAKE SCREENS PREDICTABLE

Young children do not always understand minutes, but they quickly learn patterns. When screen time happens at a regular point in the day, it becomes a routine rather than a negotiation. Use the same start and finish signals each time, such as a timer, goodbye wave, or tidy-away moment, so children know what to expect next.

8 CREATE SCREEN ZONES

Physical boundaries help children understand digital boundaries. Keep screens out of bedrooms to protect their sleep and away from tables to preserve mealtime connections. Choose one agreed 'yes space', such as a shared living room area or supervised classroom corner. This makes limits feel less personal and more like a clear family or setting routine.

9 USE SIMPLE SCRIPTS

Transitions are easier when children hear the same calm language each time. Use short, repeatable phrases such as, "First tidy, then tablet," or "When the timer beeps, we stop." Avoid long explanations during emotional moments. Simple scripts reduce negotiation, help adults stay consistent, and give children clear expectations they can gradually understand and follow.

10 PRIORITISE SLOW CONTENT

Not all screen time feels the same to a young child's brain. Fast-paced clips, loud sounds, and rapid scene changes can make it harder for some children to settle down afterwards. Choose slower content with simple stories, gentle voices, and natural pauses. Think of digital content like food, with more calm, nourishing choices than fast-paced, digital 'sugar rushes'.
