The School Calendar can be found permanently on our [website](#).

School Meals

I am sorry to have to advise you that the cost of a school meal is rising to £2.75 after half term. Caterlink the school's caterers, have had to increase their costs in line with inflation for both their staff, food and associated costs. [School Menu](#)

Y6 Picnic Postponed

Year 6 have worked extremely hard this week to complete their SATs tests; we are very proud of them! It goes without saying that they deserve their picnic afternoon (which was scheduled for this coming Monday afternoon), however the weather forecast is very poor with rain predicted on and off for most of the day.

After consulting with the children, they would rather postpone it until the weather improves than have an alternative of having the picnic at school. I will contact you with a new date for the picnic as soon as possible.

Children who usually have a school dinner on Monday can have one as normal.

School Trips

Where permission and payment are needed please login to [SCOPAY](#) to complete ASAP.

Reception Class

Other Events/News

Whitton Foodbank

Thank you to those of you who continue to place items in our collection box in the school foyer. We will continue to take them down as and when we have a box full. They really are so grateful of any contribution we are able to make. [Whitton Foodbank](#)

ADHD Embrace

Post-diagnosis session - In person
17th May, 2023 10:00 AM to 1:00 PM Europe/London
Are you the parent/carer/relative of a recently diagnosed child or teenager? If so, then our Post Diagnosis workshop provides you with the opportunity to develop an understanding of ADHD, it's impact on brain function and to explore holistic approaches for managing the condition, both medical and non-medical.

Children's Wellbeing Practitioner (CWP)

Children's Wellbeing Practitioner – applications welcome

Are you concerned about your child's anxiety levels?
Do they find it difficult to separate from you?
Are they having difficulties with sleep, or with friendships, or coming to school?

Are you finding it difficult to manage some of your child's tricky behaviours (for example not following instructions, following bedtime routines, having tantrums, being rude)?

Children's Wellbeing Practitioners offer two programmes of support which you might find helpful.

Kathy is a Children's Wellbeing Practitioner who is based in our school on Tuesdays. She works 1:1 with parents/carers to provide tools and strategies which will have a positive impact on mild to moderate levels of childhood anxiety and/or behavioural difficulties. These interventions are called Guided Self-Help and are offered as programmes consisting of 6 – 8 sessions. Guided self-help is based on Cognitive Behaviour Therapy (CBT) and means that you and Kathy will work together to help you manage the current difficulties by practising a range of skills which will give support in the future. A number of our current parents have committed to work with Kathy and found her support to be very impactful and supportive. If you would like to self-refer for this service, please talk to Mary McAvoy, Inclusion Leader, or complete the attached referral form and return it to school. New applications are welcomed to begin the programme after May half term.

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Lucy James.
