Y5 & 6 Careers Day

Can you help? Unfortunately one of our speakers can no longer join us, if anyone is available to kindly come along to talk to the children about your career please let us know ASAP. The session will run from 1:30 – 3pm Friday 26th May, speaking to small groups of children over four 10 -15 min sessions during the afternoon.

During the day the children will participate in activities helping them to consider potential careers. In the afternoon, they will attend a careers fair, they will be able to listen to talks run by parent volunteers about the jobs they do. These include: House Of Commons, resourcing & HR, Diagnostic Radiographer, Marketing, advertising and PR, Research team at Sky and a Scientist. The children have already been given a summary of the career talks available and they have chosen the talks they would like to attend. They will have the opportunity to visit four talks during the course of the afternoon. We are very grateful to the parents who have volunteered to give up their time next Friday for what we anticipate to be a hugely inspiring and thought-provoking event.

Y6 Updates

Year 6 School Journey Meeting

There will be a school journey information meeting on Thursday 8th June from 3.30pm – 4pm. This meeting is a chance for you to find out what will be happening at Bowles and ask any questions you may have. There will also be some important forms for you to fill in. If you cannot make the meeting, we will have an online Google meet code for you so that you can join the session remotely.

Year 6 Decades Day

As part of their new theme (Back to the Future) next half-term, Year 6 will be taking part in Decades Day on Thursday 8th June. They will learn about life after World War II and about important events, technology and entertainment in the years that followed. It would be lovely if the children could come in dressed up in the fashion from one of these decades: 1950s, 60s, 70s, 80s or 90s. They can also bring in CDs (!) if they would like to play a song from one of the decades.

Many thanks
Miss Sweeney
