## Headteacher's Hello

Dear Parents and Carers,

Welcome back to the last half-term of the school year. I hope you had a restful break last week, and enjoyed the beautiful sunny weather. We have a busy half-term coming up, with many different events happening over the next few weeks, so please keep an eye on the newsletter for updates and information. For information about what your child will be learning this half-term, please click [here](#) to visit our website.

Yesterday, we held our annual Open School morning which was a great success. It was lovely to welcome so many of you into school to visit your child in class and listen to their beautiful singing. Well done to the Choir who gave an uplifting and vibrant performance in the playground. My thanks in particular to all our visitors for being so accommodating to the last minute change of plan due the hall being unexpectedly out of use – your understanding and flexibility with this was very much appreciated and helped the morning to run very smoothly. I'm pleased to report that the issue has now been fixed.

As part of our Open School event, it was wonderful to share with our school community a collection of photos, artefacts and information documenting the history of Bishop Perrin School as we celebrate its 90<sup>th</sup> anniversary this year. We held a special assembly this afternoon with the children as we looked back over the decades and noted the changes that have taken place, and they had a special celebration cake, which Vicky our school cook very kindly made.

On Tuesday, Year 3 enjoyed a visit to the Allianz Stadium where they enjoyed a tour, a visit to the museum and a workshop. They had a great time, and coped very well with the long walk considering the very rainy conditions. Thank you to Miss Gunter and the staff and volunteers who helped to make this visit happen.

Well done to Year 4 who completed their statutory Multiplication Tables Check this week. They have worked very hard preparing for this, with many hours of practise of times tables in the lead up to the check. Results will be shared with us towards the end of this month.

The children are looking very smart today for their class photographs with the school photographer this morning. These will be available for parents and carers to buy later in the term. We shared some updates with you regarding our [school uniform](#) policy in the last newsletter. A reminder that on non-PE days, all children are expected to be wearing black school shoes, not trainers please. Thank you.

And finally, although at this time of year we're very busy with end-of-year events and looking forward to the summer holidays, as a Senior Leadership Team we start looking ahead and making plans for the new academic year. We value the insight from our parent and carer community as we do this and ask for your views about the school via our school survey which I share with you today. There is an option to provide your child's name and / or your child's year group if you choose to. This information is optional, but providing it helps us in being able to focus our developmental planning more efficiently. Thank you in advance for your support.

Have a lovely weekend,

Miss Macklearn

### Class WhatsApp Groups – extract from Communications Policy

As well as the official school social media presence, Bishop Perrin School welcomes the many ways that parents build their own communities around the school using the class WhatsApp groups. These are useful ways of keeping in touch with school updates, arranging School Association and other events, and sharing information and notices with each other. This is an important part of our school community and should be a safe, supportive space, where families receive and share useful information about school activity.

Please note that anything posted on social media, even in a private forum or private messenger group, could end up in the public domain.

The school reminds parents of the home school agreement around discussing school business on these forums, which could be to the detriment of the school's purpose, values and perception by the wider community. Therefore, parents should refrain from using WhatsApp or other social media platforms as a tool to:

- identify or post images/videos of pupils and for safeguarding reasons,
- children's names and personal details should never be used
- post abusive or personal comments about staff, pupils (including your own child) or other people
- bring the school into disrepute
- post defamatory or libellous comments
- circulate or initiate postings that have abusive, discriminatory or racist content
- use the platform to publicly challenge school policies or discuss issues about individual children/families, including your own child/family
- use behaviour or language which could be interpreted as threatening or intimidating

For safeguarding reasons, WhatsApp groups must only include current class parents. Parents who have left the class must be removed from the group.

The school has a safeguarding responsibility and duty of care for all pupils, families and staff members in the school and these groups have a right to privacy and respect. The school must respond where emotional distress or reputational damage to individuals or the school are at risk. The school takes its responsibilities seriously and reported incidents will be investigated and where considered necessary, referred to external agencies. If you have a concern about a post on the parent WhatsApp group or social media platform, in the first instance please raise your concern with the group admin. If you feel this is something that needs to be escalated, please contact the Headteacher.

The group / page admin has a responsibility to report any concerning comments or content to the school.

We are an allergy-aware school

Those who are in charge of admin for class WhatsApp groups are asked to pin the following statement to the class group:

***When posting in this group, parents are reminded of the school's communication policy and the home-school agreement around discussing school business on public forums, which could be to the detriment of the school's purpose, values and perception by the wider community. Any inappropriate content will be reported immediately to the school.***

Participation in a class WhatsApp group is not an expectation, parents may choose not to be part of such groups.

## Sports Day

Please find [attached with this letter details](#) of our school sports day due to be held on Wednesday 1<sup>st</sup> July, weather permitting.

## Year 3 Safer Walking

Next week (Mon – Wed), Year 3 will be taking part in Safer Walking sessions in the local area. The children will each participate in two 30 minute walks, learning important road safety skills and practicing how to safely cross roads and crossings. Please make sure they bring a coat to school on these days so that they can still participate even if it is raining.

## Class texts

For this half-term term, the key texts for classes are listed below. We do have a supply of these books in school for use in class, but it is very helpful if your child is able to have their own copy. If your child has had their own copy of a class text during the autumn or spring term and no longer has a use for it, please consider donating it to our school supplies for future classes to use – thank you.

	Summer 2
Year 2	Charlie and the Chocolate Factory – Roald Dahl
Year 3	Planet Omar: Unexpected Super Spy – Zanib Mian
Year 4	Who Let the Gods Out? – Maz Evans
Year 5	Children of the Benin Kingdom - Dinah Orji
Year 6	Coming to England – Floella Benjamin

Year R and Year 1 will read a range of picture books over the course of the term. There is not a need for them to have their own copy of the book, but they are welcome to bring one in if they have it.

## Pick-up

A reminder that older siblings (Year 7 and above) can be named by parents and carers as pick up for children in Year 4 and above. For children in Year 3 and below, the person picking up must be 16 years or older.

## Water Bottles in School

A reminder that children's water bottles are to be 650ml or less; plastic not metal (metal bottles are too heavy and can cause injury when full); preferably transparent. Thank you for your cooperation with this.

## Year 5 & Year 6 Production

Costume lists are coming home with the children today. Please bring costumes in between 6<sup>th</sup> – 8<sup>th</sup> July. Thank you.

## Year 6 to Year 7 Transition–Moving Up Workshops

Children in Year 6 will have three sessions with Arleta (MHST Children's Wellbeing Practitioner) on Wednesday 3<sup>rd</sup>, 10<sup>th</sup> and 17<sup>th</sup> June. This will support them with strategies they can use as they prepare for secondary school both at school and at home. Resources will be shared with families nearer the time.

## Emotional Health Service Online Workshop Library

A wealth of videos are available to parents, signposted on the [Wellbeing](#) page on school website. There are [specific videos](#) linked to support transition to secondary school as well as about sleep, low mood, school readiness and school avoidance.

## Families Together Coffee Morning at Chasebridge

Details of this event which is held annually to support parents to connect with one another and find out about locally available support can be found [here](#).

## Bike Week 2026

Bike Week is Cycling UK's annual celebration of cycling, returning from 8–14 June 2026

Run by Cycling UK for more than 100 years, Bike Week is the UK's biggest celebration of cycling and a chance to show how cycling can make everyday life better for people and communities across the country.

Our mission is to create happier, healthier and greener lives through cycling, and through Bike Week we're inspiring more people to experience its benefits.

Whether you cycle every day, ride occasionally or have not been on a bike in years, Bike Week is for you.

## RUILs workshops to support families experiencing school avoidance

The Ruils SEND Advice service is pleased to be offering two online workshops for families experiencing school avoidance, facilitated by child and educational psychologist Dr Jerricah Holder.

These sessions have been specifically organised in response to feedback from parents and aim to support families at two stages:

Session 1 - Wednesday 24<sup>th</sup> June, 10-12pm

### When School Feels Hard: Support in the Early Stages of Attendance worries

This session is aimed at parents/carers experiencing **early-stage / emerging school avoidance**: where attendance difficulties are beginning to surface or increasing in frequency, often including increased morning worries at home, reluctance to come to school/some days of absence, and needing significant coaxing or support to attend,

<https://www.eventbrite.co.uk/e/1989993886283?aff=oddtcreator>

Session 2 – Thursday 24<sup>th</sup> September, 10-12pm

### The Road Back: Supporting Your Family When School Feels Out of Reach

This session is for families who are experiencing established / entrenched non-attendance: where difficulties have been present for a longer period, attendance is significantly reduced or completely absent, and child is experiencing escalating mental health needs.

## Workshop for parents and carers

Modern families struggle with children's increasing dependence on rapidly evolving technology like computers, phones, and social media.

Join our workshop for parents and carers to gain a basic understanding of your children's technology use, including benefits, risks, and practical strategies for managing issues at home.

We'll cover screen time, gaming - including microtransactions - parental controls, inappropriate content, AI, and misinformation.

Our courses are neuro-inclusive, relaxed, and pressure-free; feel free to move, doodle, or just listen. Let us know if you have any sensory needs.

Please note we are unable to provide a creche for this workshop and it covers material that may be unsuitable for younger children, so attendees will have to make their own childcare arrangements if required.

# BANDITOS DAY 2026

Banditos gives participants who already play guitar, piano/keyboard, or drum kit the chance to improve their skills alongside others who play the same instrument.

Throughout the day we'll spend time in informal band settings with participants who play other instruments, jamming the tracks we've learnt the parts to in our individual groups.

At the end of the day we invite parents in to see what we've been up to in an informal play through gig.
