

Celebrating learning together in faith, hope and love

1 Timothy 6 v 17 - Command those who are rich in this present world not to be arrogant nor to put their hope in wealth, which is so uncertain, but to put their hope in God, who richly provides us with everything for our enjoyment.

Headteacher's Hello

Dear Parents and Carers,

Thank you to the parent reps and to everyone who contributed to our Parent Forum this morning. As always, it was a productive meeting, with valid points raised. The minutes will be distributed in due course and will be shared on the school website. My thanks to the reps for all their work involved in the Parent Forum this year. I have found the meetings to be very valuable, and an efficient means of hearing and resolving issues that are important to our parent community. Particular thanks to Mrs Stewart, who after seven years of chairing the Parent Forum, is stepping down from the role. Her time and commitment to this role over the years is hugely valued.

Last week, it was our pleasure to welcome Munira Wilson MP into school to visit all of the classes and meet with our School Council. Our reps did a great job of asking questions on their classmates behalf and were interested to hear all about what it's like to be a Member of Parliament. We're very thankful to Mrs Wilson for taking time out of her busy schedule to come and visit us.

Well done to Year 5 who led us in a wonderful class assembly yesterday. It was great to hear all about the fun they had in the Isle of Wight, and all the places that they visited. It was clear to hear that some treasured memories were made during their time away.

Thank you to the SA for organising the Fathers' Day Gift Sale this afternoon. The countdown is on for the Bishop Perrin School Fete in two weeks' time on Sunday 29th June. Preparations are in full swing, and I know volunteers are still needed to help with some stalls, so if you are able to spare any time, please see the SA reps and let them know.

We're looking forward to our Sports Day on Wednesday 2nd July. You will find further information about arrangements for the day later in the newsletter – we hope many of you will be able to come along and join us!

Have a lovely weekend,
Miss Macklearn

Subject: Notification of Proposed Variation to Admissions Arrangements for Ian Mikardo School

Dear Admissions Authorities in the London Borough of Richmond,

I hope this email finds you well. I am writing to notify you that The Beckmead Trust, as the admission authority for Ian Mikardo School (URN: 143630), is proposing a variation to the school's determined admissions arrangements for the 2025/26 academic year.

This proposed variation is being submitted to the Secretary of State for Education for approval, in accordance with Paragraphs 3.6 and 3.7 of the School Admissions Code (2021), and the requirements of the Education (Variation of Admission Arrangements) (England) Regulations 2002.

Nature of the Proposed Variation: We are proposing to open a satellite site in the London Borough of Richmond upon Thames at Nelson Primary School (URN: 145122). The site will provide for SEMH pupils in Years 7 and 8 with a future cohort in Years 5 and 6, open to boys and girls. Ian Mikardo School currently delivers SEMH provision to boys in Years 7-13 and this provision will remain unchanged. This change is being made in the context of a significant change to the school's structure and provision, and it requires amendment to our admissions arrangements. The proposed variation will ensure our admissions policy accurately reflects the pupil cohort and structure of provision at the new satellite site.

Next Steps: This notification forms part of our statutory duty to inform appropriate bodies of any proposed variations. Should the Secretary of State approve the variation, we will publish the updated admissions arrangements on our website and ensure all stakeholders are notified.

If you have any questions about the proposed changes or would like to discuss the implications for your admissions processes, please feel free to contact me directly.
