## Headteacher's Hello

Dear Parents and Carers,

It's been a busy week for Year 5 who have been out and about this week. Firstly, on Monday to the theatre for a performance of Shakespeare's 'Comedy of Errors', then on Tuesday at the Barnes Children's Literature Festival, listening to a talk from children's author Christopher Edge who is the author of one of the key texts they will be reading in Year 6. Thank you to everyone involved in organising these visits; it's wonderful that we are able to offer this array of cultural experiences for our pupils.

Year 1 had a visit to St. Augustine's Church on Tuesday. I was delighted to receive a glowing report from Mrs Beith of how respectful and well-behaved the children were during their visit.

This week is [Drowning Prevention Week](#), a national campaign led by the Royal Life Saving Society UK to raise awareness and equip families with life-saving knowledge before the school holidays. As the weather warms and families spend more time near water, it's a crucial time to talk about how to keep children safe. Sadly there have been too many child fatalities in cold open water across the nation during the hot weather seen in May this year. Class teachers have talked about water safety in class this week; it may be something you wish to follow up further at home. Further information can be found [here](#).

It looks like the weather will be heating up over the next few days. We have our [Sunsafe Policy](#) which details how we manage hot weather conditions in school. If you wish for your child to wear sunscreen, please apply to your child before the school day begins as we are not able to do this for them. Children are strongly encouraged to wear caps during hot weather for protection from the sun. This can be a school Bishop Perrin baseball cap which is available from School Days and Just Dancing. Other caps, must be logo-free and plain, a dark colour or plain yellow. For further information from the NHS about keeping children safe during hot weather, click [here](#).

Have a lovely weekend,

Miss Macklearn

## This week in Collective Worship...

This week, we talked about spiritual journeys in life. We also took learnt about Refugee Week with Miss McAvoy and Mrs Williams and participated in a live assembly. We talked about being [courageous](#) in support of others. Refugee Week Illustration © Quentin Blake

## School News

### Church Visits

**Reception Class** will visit St Augustine's Church on Tuesday 23<sup>rd</sup> June in the morning. If you can help us, and join as an adult volunteer please let the office know ASAP. We aim to leave about 9am and return by 11am. Walking to and from the church.

### Extra-Curricular Clubs – Autumn Term

Extra-curricular club details have been sent to those in receipt of means-tested free school meals this week. This early invite gives those in receipt an opportunity to request a free club place. Please reply back to Mrs Chawla by the 19<sup>th</sup> June.

After this date, the club details will be sent to the whole school community.

### Parents and Carers - An opportunity to help the local council understand your childcare needs and how they can develop the local childcare sector to meet them

Every year councils have to report on childcare in their area to ensure they are meeting the needs of families and their children. In Kingston and Richmond the Childcare Sufficiency Assessment report is produced by Achieving for Children, who provide children's services for Kingston and Richmond councils.

To build a clear picture of childcare (for both early years and School age children) across our area, and how well it meets the needs of local families, we are asking parents and carers who either currently use childcare or need to use childcare to complete our Parents and Family Childcare Survey - this survey is anonymous. Your feedback will help us understand what is working well, identify any gaps and inform how we can better support families and develop local childcare provision.

Parents and carers: please spend time completing this annual survey and share your views and childcare needs - your contribution is extremely valuable and we hope to receive a wide range of responses representing the needs of all families.

The survey outcomes will be included in our annual Childcare Sufficiency Assessments which are published each Autumn and also shared with the Department of Education. You can view our last year's report here: [Childcare Sufficiency Assessment: Kingston and Richmond 2025](#).

We are an allergy-aware school

## Fire Drill

We carried out a fire drill this week. The children did a great job of evacuating the building sensibly and safely, and well within the recommended time.

## Year 5 & Year 6 Production

Tuesday 14 <sup>th</sup> July	Year 5 & 6 Performance, 1:30 – 3pm
Wednesday 15 <sup>th</sup> July	Year 5 & 6 Performance, 5 – 7pm

Ticket information will be shared nearer the time – 2 x tickets, per child, per performance. Please bring costumes in between 6<sup>th</sup> – 8<sup>th</sup> July.

## Sports Day

Please find [attached with this letter details](#) of our school sports day due to be held on Wednesday 1<sup>st</sup> July, weather permitting.

## School Uniform – Purchasing PE shirts and swimming hats

We are now able to offer order and payment for these items online, via our Arbor system.

To order a PE t-shirt or school swimming hat, please follow these steps:

- 1) Email the [info account](#): FAO Miss de Boissiere stating the item you wish to order (t-shirt or swimming hat) and how many you require.
- 2) If ordering a t-shirt, please state the size and colour you require (see below).
- 3) On receipt of your email, the school will place an invoice on your Arbor account for the items ordered.
- 4) Once the invoice has been paid, your items will be available to pick up from the school office.

T-shirts (colours: red – Ruby House; green – Emerald House; blue – Sapphire House)

Sizes: Age 5 – 6 years, 7 – 8 years, 9 – 10 years, 11 – 13 years, small (13+ years)

Swimming hats – one size only.

You can still purchase an item from the school office and pay in cash, but online is preferable.

Reception children have been allocated to a house this week – their house information can be found in the reading diary.

## Cultural Week – 29<sup>th</sup> June to 3<sup>rd</sup> July

During the week 29<sup>th</sup> June – 3<sup>rd</sup> July we will be celebrating different cultures in school. Each class will be taking part in a number of creative activities, such as art, music and cooking. The children will cook a recipe from one of the continents and have the opportunity to taste the food if they would like to. If you have any concerns about your child taking part in the food tasting, or if there are any foods that your child must not have that the school is not aware of, please check with your child's teacher.

To help cover the cost of ingredients and art materials we would be grateful if your child could bring in £1 by Wednesday 24<sup>th</sup> June. Any money left over will be donated to the World Wide Fund for Nature.

On Monday 29<sup>th</sup> June, children can come into school dressed in the colours of a flag of their choice.

## Safeguarding, Wellbeing and Inclusion

### Class WhatsApp Groups

It could be helpful for the admin of class WhatsApp group to utilise the disappearing messages function on WhatsApp. This will mean messages are automatically deleted after a specified time, which can help to avoid data being stored on chats over an extended period of time.

### Mental Health Support Team

A summary of the wide offer of support available via MHST this term is on the [Wellbeing page](#) on the school website. A range of helpful videos can also be found here: <https://www.youtube.com/channel/UCrRkV84Ib8Jr69Z7ZhjSjCg/vidEOS>

MHST are inviting parents from Hong Kong to join their focus group to discuss MHST support and understand how schools and services can better support the emotional wellbeing of all children, young people and families in our communities. Please see the information [later in the newsletter](#) to participate.

### Year 6 to Year 7 Transition–Moving Up Workshops

Year 6 have now completed all of their workshops with Arleta (CWP) to support their transition to secondary school. The resources that Arleta is using with the class can be found on the school website on the [Parent Meetings and Information page](#) (Supporting your child emotionally) to allow you to follow up on this work at home.

### Transition to new classes

Over the coming weeks, children will be supported to become more familiar with their new learning environments and the staff who will be working with them as they prepare to move to a new class. For children with SEND, Learning Support Plans are a key aspect of this transition. Teachers are working on these at the moment and will be sharing and collaborating with parents via phone calls over the coming weeks to ensure all pertinent information is included to support a smooth transition. You will receive an email today explaining how to book a phone call. Children are working on communication passports to share their voice about what supports them at school and build consistency between classes. See here for ways to support at home: [Moving Up resource pack](#)

### Digital Parenting Courses

Two courses to support parents and carers to build understanding of your child's technology use, including benefits, and practical strategies for managing issues at home are being run by AfC in July. Please see details [here](#). Please also visit the [Online Safety page](#) on the school website for information about how to support your child to navigate the digital world safely.

### Triple P Teen

There are places available on a free parenting group which will be starting soon, this term in the Kingston borough. Triple P Teen is for parents and carers of children aged 11-16 years with mild to moderate challenging behaviour, 2 week course held on 2 consecutive Saturdays in New Malden from 10am-2pm. See [later in the newsletter](#) for details about how to book.

## Homestart volunteering

Home-Start is a local charity which trains volunteers to provide emotional and practical support to parents with children under five. We offer an in-person six-day course during school hours to fully prepare our volunteers to support these families. We find that this volunteering role appeals to parents with school age children and that they make excellent volunteers. The next Volunteer Preparation Course starts in September. Please see below for details about how to sign up. This is incredibly valuable work that can really help a local family.

## Workshop for parents and carers

Modern families struggle with children's increasing dependence on rapidly evolving technology like computers, phones, and social media.

Join our workshop for parents and carers to gain a basic understanding of your children's technology use, including benefits, risks, and practical strategies for managing issues at home.

We'll cover screen time, gaming - including microtransactions - parental controls, inappropriate content, AI, and misinformation.

Our courses are neuro-inclusive, relaxed, and pressure-free; feel free to move, doodle, or just listen. Let us know if you have any sensory needs.

Please note we are unable to provide a creche for this workshop and it covers material that may be unsuitable for younger children, so attendees will have to make their own childcare arrangements if required.
