Celebrating learning together in faith, hope and love

1 Peter 3 v 8-9: Be like-minded, be sympathetic, love one another, be compassionate and humble. Do not repay evil with evil or insult with insult. On the contrary, repay evil with blessing, because to this you were called so that you may inherit a blessing.

Headteacher's Hello

Dear Parents and Carers,

As I write, Year 6 are on their way back from Bowles Activity Centre where they have spent the week taking part in a range of outdoor and teamwork activities. I visited them yesterday and they were having a fantastic time, thoroughly enjoying all the new experiences and spending time with their friends. We look forward to welcoming them back later on this afternoon. A big thank you to Miss Sweeny, Miss Lawrence and Mrs Kelly for giving up their time to accompany the children to Bowles and for looking after them this week.

On Tuesday, Year 5 spent a day at Heatham House in Twickenham taking part in a range of activities to support mental health. From the excited accounts I received from the children on their return, they enjoyed the opportunity skate-boarding, graffiti art, song producing, and rock climbing.

The minutes from our recent Parent Forum are now available for you to view on our school website. Thank you to everyone who contributed to the meeting.

We are very much looking forward to the Bishop Perrin School Association Summer Fete on Sunday. A lot of hard work has been going on to organise this event, and it looks set to be a lovely sunny day with plenty of activities for families to enjoy. Thank you for all your generous donations that have been coming into school over the past few weeks. Do come along and support the school on Sunday if you can – I look forward to seeing you there.

The weather looks set to be very warm over the next few days. Please ensure children come to school with suncream already applied, and bring a hat (preferably the school hat, or one in plain school colours). We have shaded areas in the playground and provide a cool classroom as respite from the heat at playtime when necessary.

Don't forget, it's our Sports Day next Wednesday – please see later in the newsletter for details.

Have a lovely weekend,
Miss Macklearn

School News

Water Bottles

We are witnessing an increasing number of issues regarding the safe use of water bottles in school. Most concerning is the use of metal water bottles, which when full of water are very heavy and can cause an injury if dropped, or thrown or if they hit someone. We are also concerned that we are seeing a number of very expensive water bottles coming into school, and causing much upset if they get broken. If your child has a simple plastic water bottle, we ask that they bring this into school instead of a metal one / expensive model for the rest of this term. We will review our rules around use of water bottles in school in time for the next school year. Thanks for your co-operation with this.

Collins Online Practise Reading Books

We are aware that some families in Year R and Year 1 have experienced some difficulty accessing the online books this week. We have been in touch with Collins, and this should be rectified in the next few days. Thank you for your patience.

Year 6 Decades Day

As part of their Back to the Future theme for this half-term, Year 6 are going to take part in a Decades Day on Tuesday 8th July; they can dress up in the fashion from a particular decade (1950s-1990s - although this is optional) and they will listen to music, learn dances and play games from the different decades. If you have any questions, please let me know. Thanks, Miss Sweeney

Year 5 Greek Day

Greek Day on Friday, 18th July! Children are encouraged to dress up in traditional Greek attire, bringing the spirit of Greece to life. The day will be filled with exciting activities, including tasting a variety of delicious Greek foods and engaging in interactive lessons about Greece's rich history, culture, and mythology. If you are concerned about any dietary requirements or allergies, please talk to Miss Murray.

Tuesday 1st July 2025

8:45 - 9:45am in the school library: all welcome

An expert from ADHD Embrace will be leading a workshop for families to build understanding and awareness of ADHD. Check you and your family are fully vaccinated before travelling this summer

The UK Health Security Agency (UKHSA) is reporting a recent rise in measles cases in London. Globally, cases have also increased, including in Europe. This means that travelling for holidays or to visit family this summer, may increase your risk of catching measles and becoming ill during or after travel if you are not fully vaccinated.

Anyone travelling for summer holidays or to visit family, especially parents of young children, are advised to check that all members of their family have received 2 doses of the Mumps, Measles and Rubella (MMR) vaccine. Other travel-related vaccines may be needed depending on your destination.

For more information see the following resources:

- [MMR \(measles, mumps and rubella\) vaccine information from the NHS](#)
- [Measles outbreaks continue with risk of holidays causing surge](#)
- [UKHSA urges travellers to take steps to avoid infection abroad](#)

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin Primary School, these should be reported to the Designated Safeguarding Lead who is Miss McAvoy. In her absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Mackleam. The school's safeguarding governor is Mrs James. If you have concerns about the safeguarding of a child during the school holidays, contact SPA directly on 020 8547 5008 or call the police if the child is in immediate danger.

Parent Immunisation Information For Reception and Year 7 New Starters

The South London Children and Young People's Community Immunisation Service (CYPCIS) wants to ensure that parents are better informed of the vaccines that will be offered to their students throughout their school career.

They have therefore created two FAQ sheets aimed at parents of students starting **reception** and **year 7**, which also contain the team's contact information and an outline of the NHS routine immunisation schedule.
