

Celebrating learning together in faith, hope and love

Ephesian 3 v 17-19 - And I pray that you, being rooted and established in love, may have power, together with all the Lord's holy people, to grasp how wide and long and high and deep is the love of Christ, and to know this love that surpasses knowledge—that you may be filled to the measure of all the fullness of God.

Headteacher's Hello

Dear Parents and Carers,

We enjoyed a fantastic BPSA Summer School Fete last Sunday. The sun was shining and it was a great opportunity for the school community to come together. It was lovely to see so many of our Bishop Perrin School families and friends, past and present, enjoying the event. A BIG thank you to everyone involved in making the fete a success.

Yesterday, we were treated to a wonderfully uplifting trip down memory lane as Reception Class did their first class assembly all about their memories of their first year in school. They did a great job of remembering their lines and speaking clearly and confidently in front of an audience. We were very proud of them.

Thank you for your understanding when we had to cancel Sports Day at short notice due to the rain on Wednesday morning. We have rescheduled for Thursday 10th July, same timings as before. We will keep an eye on the weather, as temperatures are looking quite high for next week. If we need to change any plans, we will keep you informed.

Yesterday, Year 1 had a wonderful time at Wetland Centre yesterday. They returned to school very excited about everything they had seen and visited. Thank you to Mrs Beith and the staff and volunteers who accompanied the children on the visit. On Tuesday, Year 5 visited the Orange Tree Theatre in Richmond to watch a performance of Shakespeare's Julius Caesar. Thank you to Mrs Crinall and the staff who accompanied the children on the visit.

Have a lovely weekend,
Miss Macklearn

School Management Information System

We are excited to announce that we will be moving our MIS (our school management information system) from Integris to Arbor in September 2025. Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system.

There is no action for you to take...**yet!** We will send further communication regarding Arbor and how to register in the coming weeks. Please look out for this information and register your child when prompted.

Leavers' and End-of-year Church Service

Our end-of year celebration and Y6 Leavers' Service will be held in St. Augustine's Church, on Tuesday 22nd July at 10:30am. It will be led by Rev'd Helen Calner, the new vicar for St. Augustine's Church. Parents and Carers are welcome to join us in the church.

If you are able to walk with classes to and from the church, your help would be much appreciated – please let the school office know. We need approximately 18 volunteer walkers, and we will reserve a seat in the church for them. Please note, in order to ensure we can distribute adult support as required across different classes, you may not necessarily be allocated your child's class to walk with.

Thank you for your help.

Year 6 Decades Day

As part of their Back to the Future theme for this half-term, Year 6 are going to take part in a Decades Day on Tuesday 8th July; they can dress up in the fashion from a particular decade (1950s-1990s - although this is optional) and they will listen to music, learn dances and play games from the different decades. If you have any questions, please let me know. Thanks, Miss Sweeney

Year 4 Greek Day

Greek Day on Friday, 18th July! Children are encouraged to dress up in traditional Greek attire, bringing the spirit of Greece to life. The day will be filled with exciting activities, including tasting a variety of delicious Greek foods and engaging in interactive lessons about Greece's rich history, culture, and mythology. If you are concerned about any dietary requirements or allergies, please talk to Miss Murray.

Extra-Curricular Clubs

Apologies, we incorrectly stated, in last week's newsletter, that clubs would be ending this week. Please note, clubs end next week w/c 7th July.

Fans

We have noticed a number of hand-held, electric fans bring brought into school by the children during the hot weather. These are not necessary as our classrooms are air-conditioned and kept cool during the day, and arrangements are made at breaktimes for respite from the hot weather outside. Please refrain from sending fans into school with the children as they can cause a distraction – many thanks.

Safeguarding, Wellbeing and Inclusion

Check you and your family are fully vaccinated before travelling this summer

The UK Health Security Agency (UKHSA) is reporting a recent rise in measles cases in London. Globally, cases have also increased, including in Europe. This means that travelling for holidays or to visit family this summer, may increase your risk of catching measles and becoming ill during or after travel if you are not fully vaccinated.

Anyone travelling for summer holidays or to visit family, especially parents of young children, are advised to check that all members of their family have received 2 doses of the Mumps, Measles and Rubella (MMR) vaccine. Other travel-related vaccines may be needed depending on your destination.

For more information see the following resources:

- [MMR \(measles, mumps and rubella\) vaccine information from the NHS](#)
- [Measles outbreaks continue with risk of holidays causing surge](#)

Parent Immunisation Information For Reception and Year 7 New Starters

The South London Children and Young People's Community Immunisation Service (CYPCIS) wants to ensure that parents are better informed of the vaccines that will be offered to their students throughout their school career.

They have therefore created two FAQ sheets aimed at parents of students starting [reception](#) and [year 7](#), which also contain the team's contact information and an outline of the NHS routine immunisation schedule.

Summer Term Coffee Morning: ADHD Embrace

Thank you to all the families who came to the coffee morning on Tuesday. Laura from ADHD Embrace gave a very informative talk and answered lots of questions sharing her experience and insight. Slides will be shared with those who attended but if you couldn't attend and would like to see the slides, please contact the school office.

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin Primary School, these should be reported to the Designated Safeguarding Lead who is Miss McAvoy. In her absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The school's safeguarding governor is Mrs James. If you have concerns about the safeguarding of a child during the school holidays, contact SPA directly on 020 8547 5008 or call the police if the child is in immediate danger.
