

Celebrating learning together in faith, hope and love

1 Corinthians 13 v 13 - And now these three remain: faith, hope and love. But the greatest of these is love.

Friday 10th July 2026

Headteacher's Hello

Dear Parents and Carers,

Congratulations to Sapphire House who have earned the most rewards this term for their good work and behaviour. As a reward, they do not have to wear their school uniform on Monday. We're proud of the achievements of all our Houses this year: Emerald House – Swimming Gala winners; Sapphire and Ruby House – joint Sports Day winners.

As we head into the last week of term, we have a very busy agenda and expectation of children's attendance at school remains high, that they are in school for every day that they are well enough. While we do plan extra-curricular activities and rewards for the children to celebrate the end of term and bring about positive closure to the school year and transition to new classes, there are still important learning opportunities and social experiences for the children going on. Your support with maintaining good attendance during the last week of term is greatly appreciated.

We have had more school trips this week with Year 3 currently visiting Marble Hill House in Twickenham as part of their learning about local history, and this morning Year 6 have been at Heatham House taking part in sport and music enrichment activities.

Year 5 and 6 have been very busy rehearsing for their production of 'Rapunzel and the Barbershop Bros'. Performances are next week which we are very much looking forward to. Please see later in the newsletter for more details.

On Monday we bid a fond farewell to Jenny who for many years has provided invaluable support for our readers through her voluntary work in school. Her dedication and compassion to help children develop their confidence in reading and communication has been a huge asset to our school and we wish to extend our grateful thanks to her and our best wishes for the future.

Next Friday is the last day of term, and we will be finishing early, with Reception Class finishing at 1:50pm, and Year 1 – 6 finishing at 2pm.

Have a lovely weekend,
Miss Macklearn

Leavers' and End-of-year Church Service

Our end-of year celebration and Y6 Leavers' Service will be held in St. Augustine's Church, on Friday 17th July at 12:30pm. It will be led by Rev'd Helen. Parents and Carers are welcome to join us in the church.

If you are able to walk with classes to and from the church, your help would be much appreciated – please let the school office know. We need approximately 18 volunteer walkers, and we will reserve a seat in the church for them. Please note, in order to ensure we can distribute adult support as required across different classes, you may not necessarily be allocated your child's class to walk with. Thank you for your help.

End-of-year Reports

On Monday 13th July (or Thursday 16th July for Year 6 pupils), you will receive an email with a link for your child's end of year report. The reports include attainment levels for all subjects as well as comments for English, maths, RE and general teacher and headteacher comments. There are also sections which show any interventions your child may have had and their attendance for the academic year.

Your child's report will be sent to you via email and it should appear as: "Bishop Perrin Church of England Primary School" system@insighttracking.com. Please put this into your address book so the email does not go to junk mail.

There will be a link in the email you receive which will ask you to enter your child's date of birth in order to access the report. There is also a Google form link within the email so that you can send feedback to the class teacher after reading your child's report. If you do not receive your report by 5pm on Monday 13th July, please contact the school office.

Entrance to the performance is strictly by ticket only to help us manage numbers in the hall, so please bring your ticket with you when you come to watch the production. If you do not need all of your tickets, it is acceptable to give them to another parent who may need extra or return them to school to be redistributed.

Arrangements for hot weather:

It is forecast to be very warm next week, and our hall is not air-conditioned. It's likely to be very warm during the performance. Please be advised:

- to bring a bottle of water and a hand-held fan
- there will be a short interval when children will go to a classroom and the audience are invited into the playground for some fresh air
- we will not be using performance lights, as these add to the heat

Some information that will help you to enjoy the performance:

- Audience participation is encouraged
- Children under 12 are not permitted to the evening performance – all the Bishop Perrin School pupils will have already watched the performance in school, so there is no need for them to attend the evening performance – thank you for your cooperation with this
- Children under the age of four are permitted to attend the afternoon performance only, but please leave prams and pushchairs in the foyer
- Please remain seated throughout the performance – **please do not stand in the aisles** - and be mindful of people seated behind you
- Toilets are available for visitors at the front entrance of the school – please do not use the children's toilets.
- Photographs and videos are permitted but please do not post any on social media (including WhatsApp) without the express permission of the parents of all children who appear in the picture.
- If the fire alarm sounds, please follow the fire alarm procedure and exit the building by the fire exit leading to Hospital Bridge Road. Bishop Perrin School staff will follow procedures to ensure the children exit safely.
- If you or your guests have any accessibility needs that the school needs to be aware of, please make the school office aware in advance of the day of the performance – thank you.
- Please do not bring food or drink (besides water) into the hall for the performance – thank you.
- There will be a collection at the end for our performing arts fund.

Evening performance on Wednesday 15th July

Arrival - all children in Year 5 and 6 will need to arrive back at school for 5pm. They will get changed into their costumes at school.

Pick up after the performance – the show is due to finish at approximately 7pm. While the children go back to their classrooms to pick up their belongings, we ask parents and carers to wait in the playground and children will be dismissed to them as we do at the end of the school day. Children who usually walk home from school by themselves will not be allowed to walk home alone from the performance, please arrange for an adult to pick them up. If someone who is not on your permission list is due to pick up your child after the performance, please let the school know. Thank you.

CONSUMER SAFETY ALERT

Water Beads

Risk of serious harm or death

Water beads are small plastic balls that expand on contact with liquid and can become up to 400 times bigger. They are sold for various purposes, including toys. If swallowed, they can cause a blockage in the gastrointestinal tract that requires surgical removal but will not show up on X-ray, making it difficult to detect. If accidentally inhaled, they can lead to coughing and choking.

Consumers are asked to be alert to the potential dangers of water beads to children:

- Always store them out of sight and reach of children
- Keep them away from young children under 5 years old
- Only let older children use them if closely supervised by an adult

Common names for water beads include aqua gel, biodegradable balls, floating pearls, gel beads, jelly balls, jelly water gems, sensory beads, silicone orbs, water absorbing beads, water balls, and water crystals.
