Romans 12 v 9-11 - Love must be sincere. Hate what is evil; cling to what is good. 10 Be devoted to one another in love. Honour one another above yourselves.

Headteacher's Hello

Dear Parents and Carers,

We are delighted to share with you this year's Year 6 SATs results that have been published this week. You will see below how well the children have done. We are thrilled for them and their achievements, to see that their hard work has paid off and that each and every one of them has made excellent progress. These results are the accumulation of a lot of hard work over their time at Bishop Perrin School. A big congratulations and well done to Year 6 and all of the BP staff who have contributed to this achievement, but in particular Miss Sweeney and the Year 6 team for their dedication and commitment in helping prepare the children for these assessments.

Yesterday, we held two very hot, but very successful, sports days. Both the infants and juniors did a fantastic job of completing their races and there was a great atmosphere at both events. Thank you to everyone who endured the heat and came along to support and cheer the children on. Our thanks also to Turing House for hosting us, their students for helping out with the races, and to Miss Sweeney, Miss Holloway and Mr O'Connell who organised the events.

Congratulations to Ruby House who were the Junior Sports Day champions!

Next Wednesday, you will receive your child's end-of-year report. We have changed the format of our reports this year, so you will notice a few differences, but all the essential information is still there. Please see later in the newsletter for more information about this.

For Years 4, 5 & 6, your child will have brought home information about the race they have chosen for the swimming gala being held next Wednesday afternoon. These races have been assigned based on the assessments the school holds from previous years and this year's swimming lessons. Please check the race your child will be doing. If you feel they may struggle with it, please let the school know as soon as possible. For Year 3, as this is the first year your child is taking part in the swimming gala, you will have received an email about swimming gala that requires a parent signature. You can access that document [here](#); please respond to this by Monday. Thank you.

Have a lovely weekend,
Miss Macklearn

School News

Message from the Governors

The Governors met last night for their final meeting of this school year; the last few weeks have been very busy and we had a busy agenda. We were pleased to congratulate Miss Macklearn and Miss McAvoy on their promotion and look forward to working together next year. We want to thank parents who participated in the recent parent survey which produced some meaningful information, and a reminder that Governors need to ensure that parents understand our role in school life. Our appreciation goes to the School Association for a very successful summer fair, which raised a significant sum of money. Thank you for all of your hard work. We would also like to congratulate everybody who took part in the school's sports day which proved to be a very enjoyable time for everybody. We wish year 6 pupils good luck at their new schools, and congratulated them on their excellent academic performance this year. The Governors wish everybody a happy summer break.

School Management Information System

We are excited to announce that we will be moving our MIS (our school management information system) from Integris to Arbor in September 2025. Adopting Arbor will allow us to communicate with you more efficiently and bring all core school data and workflows into one system. There is no action for you to take...**yet!** We will send further communication regarding Arbor and how to register in the coming weeks. Please look out for this information and register your child when prompted.

Year 4 Greek Day

Greek Day on Friday, 18th July! Children are encouraged to dress up in traditional Greek attire, bringing the spirit of Greece to life. The day will be filled with exciting activities, including tasting a variety of delicious Greek foods and engaging in interactive lessons about Greece's rich history, culture, and mythology. If you are concerned about any dietary requirements or allergies, please talk to Miss Murray.

End of Year Reports

This year, the school have adopted a new online assessment system which allows us to use all of our assessment data to create an end of year report for each child. Due to this change, the reports are set out in a different format but still include attainment levels for all subjects as well as comments for English, maths, RE and general teacher and headteacher comments. There is also a section to show your child's attendance for the academic year.

Your child's report will be sent to you via email on Wednesday 16th July. It should appear as : "Bishop Perrin Church of England Primary School"

system@insighttracking.com. Please put this into your address book so the email does not go to junk mail.

There will be a link in the email you receive which will ask you to enter your child's date of birth in order to access the report. There is also a Google form link within the email so that you can send feedback to the class teacher after reading your child's report.

If you do not receive your report by 5pm on Wednesday 16th July, please contact the school office.

Leavers' and End-of-year Church Service

Our end-of year celebration and Y6 Leavers' Service will be held in St. Augustine's Church, on Tuesday 22nd July at 10:30am. It will be led by Rev'd Helen Calner, the new vicar for St. Augustine's Church. Parents and Carers are welcome to join us in the church.

If you are able to walk with classes to and from the church, your help would be much appreciated – please let the school office know. We need approximately 18 volunteer walkers, and we will reserve a seat in the church for them. Please note, in order to ensure we can distribute adult support as required across different classes, you may not necessarily be allocated your child's class to walk with. Thank you for your help.

Year 2 Chocolate Tasting

As part of our Design and Technology work this term the children will be tasting different types of chocolate. All chocolate will be nut-free and they can choose whether they taste the chocolate or not. If you do not want your child to take part in this activity please can you let Miss Lancaster or Mrs Place know. Thank you

Safeguarding, Wellbeing and Inclusion

Check you and your family are fully vaccinated before travelling this summer

The UK Health Security Agency (UKHSA) is reporting a recent rise in measles cases in London. Globally, cases have also increased, including in Europe. This means that travelling for holidays or to visit family this summer, may increase your risk of catching measles and becoming ill during or after travel if you are not fully vaccinated.

Anyone travelling for summer holidays or to visit family, especially parents of young children, are advised to check that all members of their family have received 2 doses of the Mumps, Measles and Rubella (MMR) vaccine. Other travel-related vaccines may be needed depending on your destination.

For more information see the following resources:

- [MMR \(measles, mumps and rubella\) vaccine information from the NHS](#)
- [Measles outbreaks continue with risk of holidays causing surge](#)
- [UKHSA urges travellers to take steps to avoid infection abroad](#)

Parent Immunisation Information For Reception and Year 7 New Starters

The South London Children and Young People's Community Immunisation Service (CYPCIS) wants to ensure that parents are better informed of the vaccines that will be offered to their students throughout their school career.

They have therefore created two FAQ sheets aimed at parents of students starting [reception](#) and [year 7](#), which also contain the team's contact information and an outline of the NHS routine immunisation schedule.

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin Primary School, these should be reported to the Designated Safeguarding Lead who is Miss McAvoy. In her absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The school's safeguarding governor is Mrs James. If you have concerns about the safeguarding of a child during the school holidays, contact SPA directly on 020 8547 5008 or call the police if the child is in immediate danger.
