

Dear parents and carers,

It was lovely to see so many of you at our parent consultation evenings this week – thank you for coming along. Positive relationships between school and home play an integral part of a successful school experience for children, so it was good to observe a vibrant and upbeat atmosphere across both consultations. Our next round of parent consultations will be early in the spring term, however should you need to speak with your child's teacher before then, you can always ask to speak to them after school or arrange to make an appointment.

We were treated to a wonderful Harvest Festival celebration yesterday. Thank you to Fr John who led the service and to Mrs Place for her wonderful work preparing the children and the choir with their uplifting singing. The harvest tables were groaning under the weight of so many donations of food and other goods. The volunteers from Whitton Food Bank were incredibly grateful and many local families will benefit from your generosity. Thank you.

Year 6 enjoyed a trip to 'School on the River' yesterday. They spent a day on a boat on the River Thames in Kingston learning all about the river; testing water quality; finding out about river pollution and how to look after our rivers. Thank you to Miss Sweeney, Mr King, Mrs Lambrias and Ms Lytle who accompanied the children on their visit. They reported back that the children were engaged and very well behaved throughout the visit.

Thank you to the School Association and everyone who volunteered at the infants' movie night last week. A lot of hard work goes on behind the scenes in order for these events to happen, which we are very grateful for. The children had a great time!

Next week is Wellbeing Week, and the theme is mindfulness. There are a variety of activities planned for the children to help them to consider ways in which they can look after their mental, physical and emotional health. Thank you to Mrs Rogerson who has put a lot of hard work into preparing for next week.

Have a relaxing weekend,
Miss Macklearn

PE Kit

We are proud of how smart the children look in their school uniform, and this is often commented on by visitors to the school and when the children are out and about on school visits. Please help us to maintain these high standards by adhering to our school uniform policy when it comes to PE kit too. We have noticed a range of variations of our school PE kit appearing in school over the past few weeks, particularly shorts and leggings that are of an unsuitable design for school PE kit. A reminder that trainers are only permitted on PE days / PE lessons. School shoes are to be worn at other times. Thank you for your cooperation.

Learn to Swim this Half Term Holiday

Children can learn to swim this half term with our wide range of crash courses and workshops available at Teddington Pools & Fitness Centre and Pools on the Park. Bookings can be made by calling us on 020 37722999 or at the in person at the centre reception. Please see [our website](#) for more information.

World Mental Health Day

It was World Mental Health Day on Tuesday 10th October. Please see [here](#): for information about some of the issues that children and young people may be facing and how you can support your child's mental health.

If you would like to support your child's wellbeing through the use of picture books, here are some recommendations from [The Book Trust](#): where you can also search for books around different subjects for different ages and find information about how books can support children to talk about their emotions. We have many of these books at school for children to borrow and your local library will reserve a copy if they do not have one in stock.

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Lucy James

Parent Workshops with Act-attain

Parent support and understanding is a key contributor to children's development. brings families together to learn how community sport & school-based inclusion strategies, designed with therapists, help develop confident, resilient young adults.

"Parent Detectives" is Act-attain's series of six workshops exploring family/professional roles, with information from occupational and speech and language therapists, an educational psychologist, a parent panel with experience of primary to secondary transition, and an educational solicitor. We explain how hidden neuro-diverse needs impact on children and their families and explore practical, simple inclusion strategies that become skills learnt for life.

- £16 guide price contribution to Action-attainment CIC's work
- Free places and concessions are available on request, tom@action-attainment.com
- Contact Tom for links to recordings of previous workshops.
