

Celebrating learning together in faith, hope and love

1 Corinthians 13 v 13 - And now these three remain: faith, hope and love. But the greatest of these is love.

Friday 16th October

Headteacher's Hello

Dear Parents and Carers,

It has been a very busy week! Yesterday, we enjoyed our Harvest Festival celebration led by Reverend Helen. Thank you to all our visitors who were able to join us for this event, it was lovely to share this occasion with our school community. Our school Choir did a wonderful performance and the children shared some prayers they had written. Thank you for all the kind donations which will be shared with Whitton Food Bank.

We held our first Parent Forum meeting of the school year this morning. Thank you to all the parent reps for attending and to everyone who contributed an item to be discussed. We talked extensively about the items raised, particularly the issue of parents / carers taking photographs of children at school events. The minutes of the meeting will be published on our school website shortly. We will consider all the feedback and suggestions put forward and we will provide further confirmation of this policy after the half term break.

It has been nice to see you all at our parent consultations this week. We have had excellent attendance with nearly all parents / carers meeting with their child's teacher. We will hold a second round of consultations in January, with a written report about your child's progress over the school year shared in July.

We're looking forward to Wellbeing Week at school next week. The focus is on Digital Wellbeing. The coffee morning for parents and carers on Tuesday is an opportunity to learn how you can implement strategies at home and build your understanding of parenting in a digital context. Please see [later in the newsletter](#) for more information.

Have a lovely weekend,

Miss Macklearn

In Collective Worship this week...

On Monday we talked about Ada Lovelace and overcoming barriers to what we can achieve; on Tuesday Year 6 led us in class-worship. On Thursday, Reverend Helen led our Harvest Festival.

Wellbeing Week Digital Wellbeing

Next week is Wellbeing Week at school and the focus will be around supporting children and families with **digital wellbeing**. We encourage you to attend our parent coffee morning on Tuesday (details below) and have arranged activities in school for the children. Arleta (our MHST Children's Wellbeing Practitioner) will be leading sessions for each class around the 'Digital 5-a-day' and classes will be continuing to work through their online safety lessons (which are provided by Purple Mash).

Many resources can be found on the school website's '[Keeping Safe – Online Safety](#)' page to help you to foster safe and positive habits at home. Top tips for 'Digital Parenting and Device Wrangling' can be found [here](#).

Please revisit the parent [Acceptable Use Policy](#), consider creating a [digital family agreement](#), and explore the parent information about the [online safety curriculum](#) for ways you can support your child at home. You can also find an article with advice about [supporting your child with new social media changes](#) (for older children) and some resources including one about helping younger children to understand about [never getting undressed on camera](#). See [here](#) for information about social media platforms and apps from the UK Safer Internet Centre and for guidance on [how to set up filters on your home internet to help prevent age inappropriate content being accessed on devices in your home](#).

Digital Wellbeing Coffee Morning

As part of our Wellbeing Week this year (19-23rd October), which has a theme around digital wellbeing, Tom Maybey (AfC Parenting Lead) will be leading a coffee morning at school on [Tuesday 20th October at 8:45](#) on the theme of digital parenting and how to navigate the complexities of the digital world with your family. Please sign up here to attend – all are welcome: <https://forms.gle/xyXmgAqLqg3meSkF7>

Tom is also a great source of support for parents for a range of reasons and is happy to speak with anyone who attends about courses and support available across the borough.

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin Primary School, these should be reported to the Designated Safeguarding Lead who is Miss McAvoey. In her absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The school's safeguarding governor is Mrs James.

If you have concerns about the safeguarding of a child during the school holidays, contact SPA directly on 020 8547 5008 or call the police if the child is in immediate danger.

DLD Awareness Day

Today is DLD (Developmental Language Disorder) day. Developmental Language Disorder is a hidden but common disability that affects 1 in 14 people causing difficulties understanding and using language for no known reason. This [video](#) explains what DLD is and what it can mean. The theme for the 2026 DLD Day is Together for DLD. Staff at Bishop Perrin School work closely with the Richmond Speech and Language team to support children who show signs of this condition and are happy to talk with parents about how we can support children who are finding understanding and using language a challenge. A factsheet about DLD can be found [here](#) and a [guide for families and parents](#) – both from RADLD who work to raise awareness of DLD in children and adults.

The Richmond Speech and Language Therapy team are running an online parent talk on **Tuesday 10th November, 12:30-13:15, on Teams**. The aim is to give information about DLD and some simple strategies for home. Please sign up here if you would like to attend: <https://form.jotform.com/262454205814050>

Is my child too ill for school?

UK Government

Does your child have a high temperature (38°C or more)?

YES

Keep them off school until it goes away.

NO

Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
<p>A cough, cold or sore throat</p> <p>Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature.</p> <p>Threadworms</p> <p>Speak to your pharmacist, who can recommend a treatment.</p>	<p>Cold sores</p> <p>Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.</p> <p>Conjunctivitis</p> <p>Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.</p> <p>Head lice & nits</p> <p>You can treat head lice and nits without seeing a GP.</p> <p>Hand, foot & mouth disease</p> <p>If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.</p> <p>Slapped cheek syndrome</p> <p>Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.</p>	<p>Impetigo</p> <p>They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.</p> <p>Ringworm</p> <p>See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.</p> <p>Scarlet fever</p> <p>They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.</p> <p>Chickenpox</p> <p>Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.</p>	<p>Ear infection</p> <p>If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.</p> <p>Measles</p> <p>They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.</p> <p>Vomiting & diarrhoea</p> <p>Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).</p>

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.

To find out more, search www.NHS.uk for the specific illness or infection, or 'Is my child too ill for school?'
