

Celebrating learning together in faith, hope and love

1 Corinthians 13 v 13 - And now these three remain: faith, hope and love. But the greatest of these is love.

Friday 23rd October

Headteacher's Hello

Dear Parents and Carers,

This week, we have enjoyed a very busy Wellbeing Week. The theme has been Digital Wellbeing and the children have taken part in a variety of activities linked to this. Thank you to everyone who came along to the 'Digital Parenting' coffee morning on Tuesday run by Tom Mabey (AfC Parenting Lead). We hope you found it to be a helpful experience. Please see later in the newsletter for a report about Wellbeing Week from our Year 6 Wellbeing Ambassadors and Communication Leaders. Thanks to Miss McAvoy who organised the week.

Today, the children have enjoyed participating in drama workshops called 'Her Story: Celebrating Black British Women From History.' This has been a fun way to explore these inspirational women and learn about their lives. Our thanks to Hayley from Big Foot Art Education who delivered the workshops for the children.

As part of our on-going commitment to equality, inclusion and racial justice at Bishop Perrin School, we would like to invite parents / carers to be part of a working party representative of our school community, who will work in collaboration with Miss Macklearn and be part of the discussion that will help shape the design of a new Racial Justice policy for the school. We would encourage parents and carers who may be interested to email the School, FAO Miss Macklearn by Friday 6th November. The first meeting will be 8:45am, Friday 20th November, with subsequent meetings held at a similar time on a Friday morning once per term (dates TBC), with a total of three meetings in total across the year. We wish for this to be a collaborative experience for all involved and welcome your involvement and contribution.

After half term, all children should be wearing their winter school uniform. Details of this can be found in our [school uniform policy](#). As the weather gets a little colder, a reminder that coats must be of a plain, dark colour, as should hats, scarves and gloves – no football scarves please. School policy states that for Year R and KS1, polo shirts are to be worn, and for KS2 school shirts should be a plain white collared shirt and worn with the school tie (Year 3 are permitted to wear the elasticated ties). Additionally, black school shoes or plain black ankle-high boots, no trainers except for PE. Please ensure all items are clearly labelled with your child's name. Thank you for your co-operation with this.

We currently have a vacancy for a Clerk to Governors. Please see [here](#) for further details of this post and please share if you know someone who may be interested in the role.

Please find a copy of the minutes from our recent Parent Forum meeting on our school website by clicking [here](#). These minutes provide further context and explanation the new rule regarding photographs at school events as discussed in our meeting.

Next week is half term so the school is closed. We look forward to welcoming the children back to school on Monday 2nd November.

Have a lovely weekend and a restful half term break,

Miss Macklearn

Junior cricket taster sessions- HWRCC

After half term, the juniors will be taking part in a cricket taster session lead by coaches from the Hampton Wick Royal Cricket Club. Children will be required to wear PE kit on the day of their session. The sessions are taking place on:

Thursday 5th November- Year 5 & Year 6

Thursday 12th November- Year 3 & Year 4

If you have any questions about the session, please contact Miss Gunter.

Girls' Cricket opportunities

Please see later in the newsletter for details of an offer to participate in training for a girls' cricket. Please note, the turn around to sign up for the opportunities is very short, please respond today if possible.

Action Breaks Silence – Year 5

Once again, this year we are hosting Action Breaks Silence, a charity who provide an educational course delivered to primary school children over the course of two academic years (Years 5 and 6). During the course, it is intended that the children will learn the concept of 'self-love' and empathy, how to identify harmful behaviour, and how to set boundaries and that the children become empowered to stand up for themselves and for others where boundaries are not respected. Today, Year 5 will be bringing home consent forms to allow them to participate in this programme in the spring term. Please complete and return to school by **Friday 13th November**.

Photography in School – an update

'Filming and photography by parents at school events is only permitted under tightly restricted circumstances and is strictly for personal use only.

([Child Protection and Safeguarding Policy](#) – September 2026).

Tightly restricted circumstances are those circumstances when the School can be sure that no other children will appear in the photograph except the parent / carer's own child. Therefore, parents, carers and other visitors are no longer permitted to take photographs / filming of children whilst they are at school events (class assemblies, performances, Open School) or partaking in a school event off-site (e.g. church service, sports day, swimming gala, school trip) where there are other children present as it is not possible for the School to guarantee, in a manner that is fair, reasonable and manageable for all, that other children will not feature in the pictures.

Please see the minutes of our [Parent Forum Meeting](#), for further explanation and discussion around this, and the safeguarding reasons behind this decision.

How do the children feel about having their photograph taken?

As part of our digital wellbeing week this week, we have asked the children how they feel about having their photo taken in school in different scenarios. Their feedback tells us that a significant proportion prefer not to have their photo taken at class assemblies, performances, etc. by other people.

How can memories of these special occasions still be captured?

During next half term, the School would like to trial some of the suggestions made at Parent Forum for how we manage this without compromising pupils' safety. We will evaluate for sustainability, reasonable workload and effectiveness.

- **A photo taken of each child individually by the School (with consent of parents and child) following their nativity / end-of-year performance** - this will be shared directly with parents / carers
- **At the end of a class assembly, parents will have the opportunity to take a photo of their own child only, after the assembly has finished** – parents are not permitted to take photos of any other children, regardless of consent from other parents, to help the school to be able to manage that this is done safely and within our policy
- **An opportunity for Year 6 children to have their photo taken as a class at the end of the Leaver's Service for every child whose parents and child have consented** – a specific consent will be sought for this nearer the time
- **Professional class photographs** - consent will be sought in advance for children to feature in professional class / whole school photographs
- **Year 5 and 6 Residential Closed Group Instagram** – this will be managed in line with our 'Online Safety' and 'Social Media' policy, with restrictions in place to protect identity

What we are unable to do:

Film an event and share with the parents – not all parents (or children) give their consent for their child to be filmed at school. We cannot exclude children from a performance because of photograph permission, and parents should not feel under pressure to consent if they are uncomfortable about it.

What happens if the rule is not adhered to?

- Anyone taking photographs during a school event will be asked to cease filming / taking photographs immediately and to delete the images. If not compliant, they will be asked to leave the school premises.
- Anyone taking photographs without permission at school events will not be permitted to attend future school events (e.g. class assembly, Open School, Nativity, Leavers' Service, etc.)

Following on from our Parent Forum meeting, we are now finalising the details of a new 'Photography and Filming in Schools' policy which will be shared with parents in due course.

Photographs/Videos Permissions – Please Action

Please visit your child's Arbor account and update your preferences for how photographs/videos of your child can be taken and used for the forthcoming academic year. These include images being displayed within the school site, for use on our Instagram page, our school website and some other video and photography permissions. Please visit the notices section where you should have a list displayed for you to action. Please do this, even if you have done this before. The deadline for this is 31st October.

Girls' and Boys' Football Tournament

This week, the girls and boys from Year 6 represented BP School at a football tournament for one-form-entry schools. The girls and boys both played very well, with the girls winning 3 out of 5 of their games, and the boys winning 2 out of 5 games, and drawing 1. The girls made it to the Plate Final, which they lost out to a 3-2 final score from a nail-biting Golden Goal finish. Both teams showed a great performance and we are very proud of all of them

Wellbeing Week Digital Wellbeing

This week is Wellbeing Week and this year we focussed on digital wellbeing which included being mindful, being connected, getting creative and giving to others. We also had a workshop where we learned about how we can be healthy online and offline. All children have taken home an activity to talk to their families about.

James, Michaela and Stanley – Year 6 Wellbeing and Communications Leaders

Many resources can be found on the school website's '[Keeping Safe – Online Safety](#)' page to help you to foster safe and positive habits at home. Thank you to all who attended the coffee morning this week. Tips for 'Digital Parenting and Device Wrangling' can be found [here](#).

Please revisit the parent [Acceptable Use Policy](#), consider creating a [digital family agreement](#), and explore the parent information about the [online safety curriculum](#) for ways you can support your child at home. You can also find an article with advice about [supporting your child with new social media changes](#) (for older children) and some resources including one about helping younger children to understand about [never getting undressed on camera](#). See [here](#) for information about social media platforms and apps from the UK Safer Internet Centre and for guidance on [how to set up filters on your home internet to help prevent age inappropriate content being accessed on devices in your home](#).

SALT training offer - correction

Unfortunately, the DLD session advertised in last week's newsletter for parents is only for parents of children with an EHCP – we apologise for any confusion.

Poppy Appeal

After half term, we will be selling poppies at school. All funds raised will go to the Royal British Legion Twickenham. Stick-on paper poppies with a minimum suggested donation of £1.00, and a limited number of metal pin poppies with a minimum suggested donation of £2.00. Children are allowed to wear their poppies in school, but please no wristband, snapbands, etc. Thank you.

#LearnLocal

Richmond Council in partnership with Richmond upon Thames College, Haymarket Media Group, Harlequins, Clarendon School and Achieving for Children have been working together to create an Education and Enterprise Campus on the College site on Egerton Road in Twickenham. The project is aimed at providing high quality education hand in hand with developing young people's skills and offering opportunities for progression for local, national and international students.

[For more information on the project, please click here.](#)

Moving up to secondary school in September 2027 (current Y6 Children)

Children who were born between 1 September 2015 and 31 August 2016 are eligible to begin Year 7 at a secondary school in September 2027. Applications open on Tuesday 1 September 2026 and close at 11:59pm on Saturday 31 October 2026. You must apply through the local authority which is responsible for administering the council tax for your home, even if you intend to name a school located in another area.

And finally...

Next term's lunch menu is now live on the school [website](#).

Year 6's class assembly will be on Thursday 5th November, in the school hall at 8:55am. Parents and carers are welcome to attend. Please refrain from bringing drinks and snacks into the school hall during the assembly – thank you. Please be aware there is to be no photography or filming at these events as explained earlier in the newsletter. Thank you for your cooperation.

Is my child too ill for school?

Does your child have a high temperature (38°C or more)?

YES Keep them off school until it goes away.

NO Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
A cough, cold or sore throat Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature. Threadworms Speak to your pharmacist, who can recommend a treatment.	Cold sores Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels. Conjunctivitis Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly. Head lice & nits You can treat head lice and nits without seeing a GP. Hand, foot & mouth disease If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly. Slapped cheek syndrome Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.	Impetigo They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school. Ringworm See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment. Scarlet fever They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics. Chickenpox Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.	Ear infection If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away. Measles They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system. Vomiting & diarrhoea Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.

To find out more, search www.NHS.uk for the specific illness or infection, or 'Is my child too ill for school?'

October 2026

Girls' State School Cricket Academy

I would like to offer your child the opportunity for some cricket coaching, during the winter, at The Richmond upon Thames School, Egerton Rd, Twickenham TW2 7SL, with myself and Ian Tabor (Head coach at Kings College Wimbledon and Ham and Petersham CC and The Richmond London Youth Games team). Sessions will take place on Friday evenings 6-7pm (Year 2 – 3), 7 – 8pm (Year 4 – 6) starting 8th January.

You will be part of a Girls State School Cricket Academy and will compete in Surrey and Middlesex cricket leagues during the summer, playing out of Hampton Wick Royal Cricket Club.

Last year was the first year we ran it and were able to run two under 9 teams, our u10s won the Middlesex league and our u11s won the Surrey league and the Surrey Cup. A great club, HWRCC is so inclusive and diverse and would really like to be a hub for girls' cricket – providing opportunities particularly for girls from state schools.

In 2027 I would like to really grow the girls' section and run teams for u8s-u11s in both softball and hardball leagues.

I completely understand that you are likely to have other commitments, but if you are interested in this wonderful opportunity please email me at j.watson@heathfield-jun.richmond.sch.uk or contact me on 07801572809 or click on the QR code below.

When you get a moment please can you email: juniormember@hwrcc.co.uk with your daughter's details. Name, Date of birth. Contact name and number.

Also we will be using Spond for availability for training and matches and would be grateful if you could join that,

I look forward to hearing from you.

James Watson

‘James Watson is a force of nature. He’s one of the most knowledgeable and passionate cricket people I’ve ever met. I have supported his work for many years because I’ve seen first-hand the impact it has on the children he works with. Watching him conduct a cricket session for his students is an education in itself. But it’s not just about skills. His sessions are creative, joyous, collaborative and imaginative. He’s waging a one-man war against the entrenched elitism that continues to bedevil the game in this country. His optimism is genuinely inspiring.’
