Celebrating learning together in faith, hope and love

1 Corinths 13 v 13 - And now these three remain: faith, hope and love. But the greatest of these is love.

Friday 6th November

Headteacher's Hello

Dear Parents and Carers,

I hope you had an enjoyable half-term break.

We have had a productive first week back. Yesterday, we enjoyed Year 6's class assembly in which they shared their learning from last term all about rivers. The children did a superb job of sharing the huge amount of learning they had achieved in just a few weeks, including some impressive model bridge constructions from their D&T lessons. My thanks to Mrs Crinall and Mrs English in supporting the children in preparing for their assembly, and also to all the parents and visitors for supporting our requests for no photography at these events – this was very much appreciated.

On Wednesday, Year 3 visited Butser Farm in Petersfield to supplement their learning this term half-term all about the Stone Age. Despite the cold weather, I have heard all about what a fantastic time they had and that they thoroughly enjoyed all the activities. Thank you to Miss Gunter and all the staff and volunteers who helped make this visit possible.

Our School Association held their AGM at the end of last half term. A big thank you to the out-going committee for all their hard work over the past year, and congratulations and thank you to the new committee who will continue their fantastic work, organising events and raising money for the school.

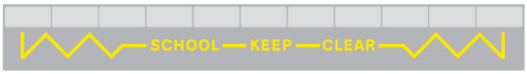

Last term, our Year 6 girls and boys football teams took part in a borough tournament, playing matches against a range of similar-sized schools to BP. This levelled the playing field for our teams who often have to play against much larger-sized schools in these events. Our congratulations go to both teams who represented the school so well, winning and drawing a number of matches, and for the girls, narrowly missing out on playing in the final stages of the competition. Our next competitive sporting event will be in just over a week, when our netball team play a friendly match against St. Stephens – we wish them good luck!

All children must now be wearing their winter school uniform – thank you for your co-operation with this. Emails have been shared this week where uniform isn't in accordance with policy, and we appreciate your support in making changes to ensure that the uniform policy is implemented fairly for all families.

I have mentioned in recent newsletters about considerate and safe parking when dropping off / picking up children from school. An issue remains concerning children being dropped off at the junction of the Ashley Drive slip-road and Hospital Bridge Road close to the school gate. Please refrain from stopping here so as to maintain a clear, safe sightline for children crossing the road. The following is from the council website:

School 'keep clear' markings

The yellow zig-zag markings often found near schools are there for safety reasons. They are designed to warn motorists that stopping would cause a danger to children and pedestrians. The restriction times are as shown on nearby yellow time plates and while they are in force, motorists must not stop for any reason, including setting down or picking up passengers or loading / unloading goods. Detailed information about road markings and signs is available in The Highway Code.

Keep entrance clear of stationary vehicles, even if picking up or setting down children

For the next two weeks, Miss McAvoy will be away from school as she is doing Jury Service. I will be picking up any items that Miss McAvoy usually manages, so please do come and see me if I can help, but anything non-urgent should wait until Miss McAvoy's return.

Have a lovely weekend,
Miss Macklearn

Attendance and Punctuality

Whole school: 97.28%
The class with the best attendance this week: Year 3

Reporting Reasons for Absence

We are appreciative when parents inform us promptly of the reasons for their child's absence as this helps us to maintain our reporting systems efficiently. We also appreciate the honesty regarding the reasons why. Inevitably, staff will hear from the children themselves if they have been or are due to go on holiday or having a day out during school time, and it puts staff and children (including their friends and classmates), in a difficult position if this absence has been reported to school as an illness / medical issue. It contradicts our efforts to support and model positive behaviours for the children in school through the implementation of our 5Bs which includes 'Be Honest'.
Ideally, refraining from taking holidays, days out or picking up from school early for excursions during term time will avoid this uncomfortable situation from occurring and maintains a positive relationship between home and school. Thank you for your cooperation with this.

In Collective Worship this week…

On Monday we talked about All Hallows Day. On Tuesday, Mrs Crinall led our worship all about Diwali and on Thursday, Year 6 did their class assembly. To all of our families celebrating Diwali this weekend, we wish you an enjoyable time celebrating with your families.

School News

Action Breaks Silence – Year 5

Once again, this year we are hosting Action Breaks Silence, a charity who provide an educational course delivered to primary school children over the course of two academic years (Years 5 and 6). During the course, it is intended that the children will learn the concept of 'self-love' and empathy, how to identify harmful behaviour, and how to set boundaries and that the children become empowered to stand up for themselves and for others where boundaries are not respected. At the end of last half term, Year 5 brought home consent forms to allow them to participate in this programme in the spring term. Please complete and return to school by **Friday 13th November.**

Playground Signs

You may have noticed some new playground signs on display in the playground this week. These are courtesy of a very kind donation from Charles and Gill Perrin (Bishop Perrin's great-great nephew) in honour of the school's 90th anniversary this year. We still have a new history timeline to go up in the quiet area of the playground. It has been lovely to see the children interacting with the new signs this week. Our thanks to Charles and Gill for their generous donation.

Curriculum information for parents

Please find information about what your child will be learning this half-term by clicking on the following links:
Year R, Year 1, Year 2, Year 3, Year 4, Year 5, Year 6

Your child's timetable for this half term will be sent home today, along with this newsletter.

Junior cricket taster sessions- HWRCC

The juniors will be taking part in a cricket taster session led by coaches from the Hampton Wick Royal Cricket Club. Year 5 and 6 thoroughly enjoyed their sessions this week. Children will be required to wear PE kit on the day of their session. The sessions are taking place on:
Thursday 12th November- Year 3 & Year 4
If you have any questions about the session, please contact Miss Gunter.

Community News

Poppy Appeal

We are selling poppies at school. All funds raised will go to the Royal British Legion Twickenham. Stick-on paper poppies with a minimum suggested donation of £1.00, and a limited number of metal pin poppies with a minimum suggested donation of £2.00 are available. Children are allowed to wear their poppies in school, but please no wristband, snapbands, etc. Thank you.

Homestart volunteering

Your time could change a child's life – Volunteer with Home-Start!

Could you spare just two hours a week to support a local family? Home-Start Richmond, Kingston & Hounslow is looking for volunteers to support families with children under five who may be experiencing challenging times, including post-natal depression, bereavement, disability or isolation.
Our volunteers offer friendship, encouragement and practical support, helping parents build confidence and giving children the best possible start in life.

No professional experience is needed- just parenting experience, a listening ear and a willingness to help others. We provide a free six-week training course, alongside ongoing support from our experienced team.

Spring 2027 Volunteer Training Course

- **Duration:** Six weeks
- **Dates:** Wednesdays: 3rd, 10th and 24th February; 3rd, 10th and 17th March 2027
- **Time:** 9:45am-2:30pm
- **Location:** Whitton Park Sports Association Clubhouse, 190 Wills Crescent, Whitton, TW3 2JD

Whether you are looking for a meaningful way to give back to your community, meet new people or use your parenting experience to help others, volunteering with Home-Start is a rewarding opportunity to make a lasting difference.

Is my child too ill for school?

UK Government NHS

Does your child have a high temperature (38ºC or more)? YES Keep them off school until it goes away. NO Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
A cough, cold or sore throat Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature. **Threadworms** Speak to your pharmacist, who can recommend a treatment.	**Cold sores** Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels. **Conjunctivitis** Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly. **Head lice & nits** You can treat head lice and nits without seeing a GP. **Hand, foot & mouth disease** If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly. **Slapped cheek syndrome** Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.	**Impetigo** They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school. **Ringworm** See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment. **Scarlet fever** They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics. **Chickenpox** Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.	**Ear infection** If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away. **Measles** They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system. **Vomiting & diarrhoea** Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.
