

Bishop Perrin CE Primary School Key Stage 2 Pupil Acceptable Use Agreement

These rules will keep me safe and help me to be fair to others.

1. **I learn online** – I use the school’s internet, devices and logins for schoolwork, homework and other activities to learn and have fun. All school devices and systems are monitored, including when I’m using them at home. I always ask permission at school and home to use an app or site.
2. **I learn even when I can’t go to school-** I don’t behave differently when I’m learning at home, so I don’t say or do things I wouldn’t do in the classroom and nor do my teachers.
3. **I am a responsible learner-** I will not bring files into school without permission or upload inappropriate material to my Chromebook. I ask permission at home and school to use apps/sites.
4. **I am a friend online** – I won’t share anything that I know another person wouldn’t want shared, or which might upset them. If I know a friend is worried or needs help, I will remind them to talk to an adult, or even do it for them.
5. **I am a secure online learner** – I keep my passwords to myself. I reset them if anyone finds them out.
6. **I am careful what I click on** – I don’t click on unexpected links or pop-ups and only download or install things when I know it is safe or has been agreed by trusted adults. Using some apps costs money, so I always check.
7. **I ask for help if I am scared or worried** – I will talk to a trusted adult if anything upsets me or worries me on an app, site or game.
8. **I know it’s not my fault if I see or someone sends me something bad** – I don’t need to worry about getting in trouble, but I mustn’t share it. Instead, I will tell someone. If I make a mistake, I will tell.
9. **I know new online friends aren’t always who they say they are** – I am careful when someone wants to be my friend. Unless I have met them face to face, I can’t be sure who they are. If I want to meet them, I will ask a trusted adult, and never go alone or without telling an adult.
10. **I don’t do live videos (livestreams) on my own** – and only go on a video chat if my trusted adult knows I am doing it and who with. I know what I put on the internet can stay forever (even on Snapchat or if I delete it), so I will protect my online reputation.
11. **I am private online** – I only give out private information if a trusted adult says it’s okay. I do not share my location, home address or telephone number.
12. **I keep my body to myself online** – I never change what I wear in front of a camera and remember that my body is mine and mine only. I don’t send any photos without checking with a trusted adult.
13. **I say “No” online if I need to** – if I get asked something that makes me worried or upset or just confused, I say no, stop chatting and tell a trusted adult. I don’t have to do dares or challenges.
14. **I am a rule-follower online** – I know that apps and games have rules on how to behave, and some have age restrictions. I follow the rules, only use apps and games I am allowed to, I don’t use 13+ and 18+ apps and console games because I am too young and I block bullies and report bad behaviour.
15. **I am not a bully** – I do not post, make or share unkind, hurtful or rude messages/comments and tell my trusted adults if I see these. My online activity outside of school will only have a positive effect on my learning and relationships during school time. If I know someone is being unkind to others, I tell.
16. **I am part of a community** – I do not make fun of anyone or exclude them because they are different to me. If I see anyone doing this, I tell a trusted adult.
17. **I respect people’s work** – I only edit or delete my own digital work and only use words, pictures or videos from other people if I have their permission or if it is copyright free or has a Creative Commons licence.
18. **I am a researcher online** – I use safe search tools approved by trusted adults. I know I can’t believe everything I see online, I know which sites to trust, and I know how to double check information I find.
