

BISHOP PERRIN SCHOOL ASSOCIATION NEWSLETTER

Friday 10th September 2021

Message from SA Chairs:

A warm welcome back to everyone, we very much hope you had a restful summer, and we're hoping this academic year will afford more normality for all.

We're sad to announce that Fiona, our SA treasurer for many years, is leaving Bishop Perrin. She has provided immeasurable work to the school and particularly the BP SA and we would like to thank Fiona for her contribution and wish her well. As Fiona will be officially leaving at the upcoming SA AGM, we are keen for a new Treasurer to take over, please contact us at SA.BishopPerrin@gmail.com to apply or with any queries.

For this year's Christmas cards and mugs, the SA have made the decision to return to 'Cauliflower' to avoid any repeat of the poor experience with last year's process.

Over the Summer Term the SA have had to release both an indoor and outdoor storage cupboard to KoosaKids for their use, which led to our conducting a stock check. Unfortunately, this resulted in the discovery that the storage shed had been inhabited by rodents! Therefore, to avoid any risk of a health hazard, many items had to be disposed of. Additionally, the discovery of a large hole has required on going repairs as well as a full cleaning and wood preserve & paint job which will prolong its useful life.

We are working to provide a schedule of events to raise some badly needed funds and with this aim we are coordinating with Mr Corke to ensure the school is happy to return to normal fund-raising activities. Once this is confirmed we can all discuss plans at the forthcoming SA meeting and AGM. The dates have not yet been finalised; however, we will get them to you ASAP where we are also look forward to meeting you all in person.

Finally, we are looking forward to meeting the new Reception parents at the Teddy Bears picnic next Friday.

Best Wishes,
Becky, Laura, Soraya and Andy
Co-Chairs to the Bishop Perrin School Association
