### Our School Value this week is: Friendship

*"They may forget what you said, but they will never forget how you made them feel."*

Carl W. Buechner

Dear Parents,

### Visit to BP by Mrs Wilson

We were delighted to welcome Mrs Munira Wilson, our local MP, to the school today and the children very much enjoyed meeting her and speaking to her. She was able to join us for our virtual Friday Celebration Worship and then visit all the classes to see the children. Year 5 had prepared some very thoughtful and considered questions to ask Mrs Wilson, linked to their work on democracy, and it was lovely to hear Mrs Wilson's honest and open replies. I would like to thank Mrs Wilson for taking the time to visit us and engage so positively with the children.

### School Life

The children thoroughly enjoyed the opportunity to see the moon rocks and samples of meteorites that we had with us this week. They were fascinated by them and Year 6 were able to carry out some experiments linked to the samples, so really reinforcing their opportunity to learn about them and their origin. My thanks to Miss Sweeney for organising this wonderful opportunity.

Children in Years 1 and 2 have really enjoyed the opportunity to earn Learning Rewards and Behaviour Rewards this week and contributing to their new Houses. We were able to share the new changes with the children during a special Worship on Monday this week, and we are looking forward to celebrating their successes later in the term.

Great progress is being made on our new Outdoor Classroom, with the landscaping completed and some new turf being laid. We hope that once it is fully finished we can give you the opportunity to come and see it. We will be inviting Mr and Mrs Perrin to come and officially open the Outdoor Classroom in recognition of their incredible generosity to the school which has enabled us to fund this project.

### Learning Review Day

On Tuesday (18th) next week, we are being visited by Mrs Newman and Mrs Clarke, two of our Local Authority Link Inspectors. They are coming in to help us see what is going well and where we can look to make improvement in our practices. It will be a busy day, with lots of things going on, including learning walks, book scrutinies, meeting with some of our Governors and speaking to some of the children. We hope it will be a really positive and informative day for us all and give the children the opportunity to share with Mrs Newman and Mrs Clarke all their fantastic learning behaviours.

Have a restful and relaxing weekend.
