

Headteacher's Hello

We had a tremendous response from the children (and yourselves!) to our World Book Day celebrations today, so thank you for the support you have given the children with the books they chose to read and their outfits. All the children were able to stand up in Worship so everyone could show off their efforts and then the children met up with a member of staff to share the book they had chosen. Prior to all the events of today, we had Coral Rumble, an author and poet, deliver some very engaging and interactive workshops on Tuesday. Our thanks to the School Association who kindly funded Coral's visit. I would like to thank Miss Macklearn for all the thought and planning that has gone in to our World Book Day celebrations, it's really helped remind the children how stimulating reading can be. Apart from Year 5 (who will be involved with some Orange Tree workshops later this year), all the other classes will have a drama workshop at school on Monday, so even more opportunities to be stimulated and inspired!

Year 6 gave us a wonderful Class Assembly on Wednesday, sharing their knowledge of the Solar System, topped off with some stylish rapping! Thank you to all the parents who were able to come along. Year 1 had a busy week, with PC Smith visiting them on Monday followed by their visit to St Augustine's on Tuesday. Year 5 had a chance to practise their singing ahead of their Singing Festival with a visit to Heathfield Juniors on Monday and joined up with some other local schools to work on their harmonies.

We are temporarily saying "Goodbye" to Mrs Crinall today as she leaves to go on maternity leave. We wish her all the best for the upcoming arrival of Baby Crinall and will look forward to sharing the news with you as soon as we hear anything. We have Mrs George teaching Year 5 for the rest of the term, she came in and meet up with Mrs Crinall this week for a successful handover.

Have a restful weekend.

Mr Corke

Fears and worries during childhood are completely normal. At the same time, they can cause stress for children and those supporting them.
