

## Headteacher's Hello

The children in Year R, 1, 2, 3, 4 and 6 very much enjoyed their drama workshops on Monday, with each class exploring one of the themes they have been learning about in class. Year 5 have been learning about Romeo and Juliet this week and created their own drama sequences in class which I was able to view. We have some budding thespians amongst us! Year 6 had a very immersive Viking experience yesterday and were treated to Mr King arriving in their classroom in full Viking attire, including a shield and tunic! They were able to try their hand at making some Viking flatbreads, learn about Viking culture and to top it all, despite the wet weather, learn how to light a fire! Thank you to Miss Sweeney, Mr King and Mrs Horton for all the thought and planning that went in to giving Year 6 such a great experience.

Thank you to all the parents who were able to join Miss McAvoy for the ADHD Coffee Morning on Tuesday. It was a very informative session, led by a trainer from the Richmond branch of ADHS Embrace. We hope to offer more opportunities for parents to come in to school to hear from experts and professionals, so please keep your eye out in the newsletter for these events. For more information about ADHD Embrace visit: <https://adhdembrace.org/>, my thanks to Miss McAvoy for organising the coffee morning.

Over the next couple of weeks we will be introducing the children to some additional emergency procedures, similar to our fire drills, so that they become familiar with them. Yesterday we practised our Outside-In drill with the children coming in from the playground to their classrooms. We will be introducing these procedures slowly and incrementally so that we have time to embed them and we will share further information with you as we go along. The children have been very mature and responsive in their approach to these practices and drills.

With the Six Nations Championship resuming this weekend, good luck to England against France and what should be an exciting match between Scotland and Ireland. Have a restful weekend. Mr Corke

## Careers Day – 26<sup>th</sup> May 2023

We will be holding our Y5 & 6 Career day on Friday 26th May. The purpose of this day is to expose the children to a variety of careers, which in return can spark thoughts about their futures and potential careers. Children in Years 5 & 6 will take part in the day; however, we can't do it without YOU!

We need volunteers (from any of the sectors below) to come in on the afternoon of the 26th May and speak for four, 10-15-minute-long sessions about their career. The event will take place between 1:30PM and 3:00PM. If you, a family member, or friend are interested in volunteering to speak about a career, please email the school office [info@bishopperrin.richmond.sch.uk](mailto:info@bishopperrin.richmond.sch.uk) with your career type and a brief description that we can share with the children to help them select which speakers to visit. To ensure we have a variety of career types on offer, and in hopeful anticipation of a wealth of offers to talk with our children, we will send out invitations to volunteers at the event by the end of April.

If this proves to be a successful event, we plan to repeat it on an annual basis, to allow all children to participate when they reach Years 5 & 6.

## Coram Beanstalk Reading

Our school is currently working with a charity called Coram Beanstalk, who enable children to grow a love for reading and in turn improve their attainment across the curriculum, their confidence and well-being. Over the past 50 years, we have developed our expertise in making this happen. Coram Beanstalk help children become readers; ensuring all children get the wider support they need to switch on to reading and become confident, independent readers. Our Reading helpers are trained in a proven approach and will lead sessions for each child that bring fun and enjoyment to the reading experience, ultimately wanting the child to choose to read and be enthusiastic about it!

Coram Beanstalk Reading are looking for volunteers! Can you spare a few hours a week to help a local primary school inspire children to become readers? By giving a few hours a week, in a local primary school, you could make a real difference to how well children do at school, and in life. We'll train you to set children up to succeed... sharing, talking and having fun with books to help them understand the joy of reading. Make a difference to a child's life, and to yours. To find out more please call 020 7729 4087 or visit <https://www.beanstalkcharity.org.uk>
