Our School Value this week is: Service

"When we give cheerfully and accept gratefully, everyone is blessed." - Maya Angelou

Dear Parents,

School Life

Yet another busy week in the life of BP this week! The Netball Teams played Chase Bridge School last Friday (4th) and came away even-stevens, with one of the teams winning and the other team losing. They also played against Heathfield Junior School yesterday and managed to win both matches. Miss Holloway and Mrs Keightley reported back how well everyone played and supported each other. Well done everyone who played!

Reception Class have had a busy week with their first visit to St Augustine's on Tuesday this week. Miss McAvoy reported back as to their curiosity and the questions they asked of Fr John, who fielded their questions with experience and understanding! Reception have also had visits from some of our parents who have kindly come in to talk to the children about their careers and the jobs they do. We have some more parent visitors coming in next week, so thank you to everyone who has been able to offer their time to come in to see the children.

Year 1 undertook their Spring Term Nature Walk to Heathfield Rec yesterday, as a follow up to the one they undertook in the Autumn Term. They were able to take our new clipboards over to the park and draw some of the things they were able to observe such as daffodils and blossoms on the trees. Thank you to all the parents who were able to help out.

Following on from our work to help the children gain a better understanding of our School Vision of "Celebrating learning together in faith, hope and love", Father David kindly came in to talk to the Junior classes to explore these values further. He felt he was very much tested by the children's questioning and impressed with their respect for the concept. He took away from Year 5 a beautifully worded definition of Hope; "Looking forward happily".

A busy week next week for our football teams. The girls and boys both have a league match against Chase Bridge on Monday and the boys then have their Borough Football Tournament on Wednesday, so good luck to everyone!

Staffing News

Miss Lang will be leaving us at the end of this term and I would like to thank her for her time and dedication to the children she has taught at Bishop Perrin during her time with us. On behalf of all the staff, I would like to wish her all the best for the future. Miss Macklearn will continue teaching Year 1 for the remainder of the school year to ensure consistency and continuity for the children and Year 1 parents.

School Association

It was lovely to have our Junior Film Night last week. The children's behaviour was fantastic and a credit to them all. Thank you to all the parents who came along to help and I know the Infants are very much looking forward to their Film Night next Friday (18th). The School Association Quiz Night is just a couple of weeks away, so please do come and support the school whilst also having a fun night out. Without parental support for events like this, the School Association aren't able to raise the funds that then feed directly back into the school- we shouldn't forget about initiatives such as providing each child across the whole school with a £10 per pupil trip subsidy.

A busy weekend of Six Nations rugby ahead... so good luck to all the home nations... especially England in their match against Ireland at Twickenham!

Best wishes,

Mr Corke

If you are using your child's Reading or Homework Diary to send a message to their teacher, please can you make sure you remind your child to make sure they show the Reading/Homework Diary to their teacher. Reading and Homework Diaries are not checked every day, so unless a teacher is told that there is a message for them, it may well get missed and not seen. Thank you.
