Friday 18<sup>th</sup> March

2022

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Lucy James.

**Our School Value this week is: Service**

*"Kind words can be short and easy to speak, but their echoes are truly endless." - Mother Teresa*

**Dear Parents,**

### School Life

It's been another busy week at school this week, especially on the sporting front. On Monday both the Girls' and Boys' Football Teams played their league matches against Chase Bridge. It was a mixed bag of results with the girls winning their match 6-1, whilst unfortunately the boys lost their match 9-1. However, the boys were able to make-up for the heavy loss by getting to the quarter-finals of the Plate Competition for the Boys' Borough Football Festival at NPL in Teddington on Wednesday. With some very gritty and determined performances throughout the day, they battled really hard in all their matches and were just two minutes away from reaching the semi-finals, but unfortunately we were knocked-out by the dreaded penalty shoot-out. Well done to Ethan, Freddie, Harrison, Jack, Alex, Samuel and Zak and my thanks to Mr Jefferies and Mr and Mrs James for all their help with the football fixtures this week.

Year 2 were able to take part in a virtual London Transport Museum workshop on Tuesday, linked to their work on London for this half-term and Year 6 made a visit to Squires Garden Centre to learn how to plant and grow potatoes. Year 6 will make a return trip back to Squires later in the year to harvest their potatoes and cook them up, which will be a real treat!

Yesterday we had a visit from Mrs Newman, our Local Authority Link Inspector. We were able to take a walk around the school to visit all the classes and have a look at all their colourful and creative displays. The behaviour of the children was wonderful and Mrs Newman commented as to how impressed she was at the children's behaviour but also their articulation and confidence in talking about their learning. We are so proud of the children and the high standards they set themselves.

### Staffing Update

We are looking forward to welcoming Mr Brown back next week to resume his PE lessons with the children. He has made good progress with his recovery and I know the children will enjoy seeing him back. For the remainder of this term he will just be teaching during the school day rather than doing both his teaching and running his before and after-school clubs.

### School Association

There is much excitement about the Infant Movie Night tonight, so thank you to all the parents who are giving up their time to help out. If your child is coming to the Movie Night this evening, please make sure you are available at all times in case we need to give you a call regarding your child and they need collecting.

Well done to Ireland last Saturday in the Six Nations Rugby. All the Irish fans may well be supporting England tomorrow night in the hope they can beat France!

Have a restful weekend.

**Mr Corke**

Please note that there can be no extensions to this deadline.

Year 6 at Football Tournament, 16/03/22

## SHOOTING STAR HOSPICES SPACE RACE FUNDRAISING!

This year, Year 5 and 6 have decided to lead a fundraising week to raise money for Shooting Star Children's Hospices. This is a charity close to our hearts with one of the hospices being nearby in Hampton. In March, Shooting Star are starting their Shooting Star Space Race where they are asking fundraisers to walk as many miles as they can in a week or over the whole month! Their aim is for fundraisers to collectively walk 38,600 miles - to get their virtual rocket to Mars! We have decided to run our fundraising week from the Monday 21st March. In that week, all classes will aim to walk as many miles as they can to add to the overall Shooting Star Space Race total of 38,600 miles.

The link to our school Just Giving page is below - if you could spare a little donation to sponsor your child for the miles that they walk that week, we would be very grateful. Please feel free to ask family members and friends to donate too! Thank you to the parents who have already donated! Deadline for donations is Monday 4th April. If you have any questions regarding the fundraising, please contact us via the school office.

Many thanks, Miss Sweeney and Mrs Crinall

## RECEPTION CLASS – JOBS, CAREERS & PEOPLE WHO HELP US

Reception class are currently learning about different jobs, careers and people who help us. Many thanks to the parent visitors for coming in and sharing your profession with the children, as well as answering all their questions! We have a few more scheduled for the coming week which we're looking forward to. We would love to hear from some more people in the healthcare sector, any doctors, nurses, paramedics etc, if you would like to come in and share your job with the children let us know before we wrap up this topic by the Easter holidays.
