If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Lucy James.

Our School Value this week is: Forgiveness

"Forgiveness is the remission of sins. For it is by this that what has been lost, and was found, is saved from being lost again.– Saint Augustine

Dear Parents,

With an arctic blast, it has been a cold end to the week, but it has, yet again, been a busy one!

School Life

The children have been undertaking their end of term assessments this week across the classes, and it will be an opportunity for the teachers to measure how much progress has been made by the children since the last round of assessments in December. Along with the assessments, we have also had a very colourful and creative Year 3 Egyptian Day (yesterday) and it was a pleasure to see the children working together in class to make some model shadufs. The children looked amazing in their costumes and we had some very convincing Cleopatras and Pharaohs! Year 6 have continued learning about developing their personal finance skills and knowledge during their money PSHE lesson this week and a special mention must be made about the endurance shown by Year 5 and their trip to the Science Museum on Thursday. Due to unforeseen transport issues with the tube train in the morning, it became a bit of an adventure making their way to the Science Museum from Gunnersbury Station but they prevailed and the children were really well behaved throughout. Well done Year 5 and well done Mrs Crinall, Mrs Horton, Mrs Lambrias and Miss Cunningham!

The Girls' and Boys' Football Teams played their final league matches against St Edmund's on Wednesday this week. Despite creating some good scoring opportunities and hitting the post, the boys lost their match 6-2, but could well have won had their chances been taken. The girls had a very credible 1-1 draw against the St Ed's Girls, who had not lost any of their previous league matches. Well done to both teams and my thanks go to Mr and Mrs James and Mr Jefferies for helping with walking and coaching.

The Netball Team had a fixture with Nelson School yesterday and won 5-3. Well done to the Netball Team for braving the cold and thank you to Miss Holloway, Mrs Keightley and all the parents who helped with walking.

Attendance and Punctuality

It has been very encouraging to see the improved attendance rate across the school recently. We are keen to improve punctuality as we have a number of children, some of them regular, coming in to school after 8.40am when the gate to the playground has shut. Please make sure your child is in school on time so they can settle in quickly to their lessons.

Staffing Update

We will be sorry to see both Mrs Cheriton (Summer Term) and Mrs Bowe (Spring Term) leave Bishop Perrin in their roles as Teaching and Learning Support Assistants and I would like to thank them both for all their time and dedication to the school. Mrs Cheriton has been one of our Teaching and Learning Support Assistants for sixteen years and she has given great service to the school and supported many children during her time with us. Mrs Bowe will continue in her Librarian role which we are pleased about. We are very grateful to both of them for their time with us and we wish Mrs Cheriton all the best for the future.

School Association Quiz Night

It was lovely to see so many parents support the School Association at the Quiz Night last Saturday night and help raise lots of money for the school. There was a great atmosphere, lovely curry and lots of laughter. Thank you to all the parents who helped plan, organise and run the evening. Please keep your eyes out for any future adult School Association events as it lovely to be able to come together as a school community in such a way.

Please don't forget that parents are welcome to join us at St Augustine's on Tuesday for our Easter Service at 10.30am. Please do not park at St Augustine's due to the limited space that is vital for Homelink staff and clients.

Have a restful weekend.

Governors expressed their gratitude to all the staff and the Senior Leadership Team for all they do at the school and continue to do in what has been challenging circumstances.

They were delighted to hear of the successful Infant and Junior Film Nights that were held at the school by the School Association. It was wonderful to hear how well behaved the children were at that event.
