Newsletter

Newsletter 29, Friday 5th May 2023

Dear Parents,

It may have only been a short school week this week, but it has been a busy one...

Year 5 have been enjoying a fun week away in the Isle of Wight and we look forward to welcoming them back this afternoon. We have been in regular contact with them during the week and we hear they have been very well behaved and have been having a wonderful time. Thank you to Mrs Crinall and Mrs Chawla for organising the trip, and to Mr Corke, Mrs Place and Mrs Rogerson who have given up their time this week to accompany the children.

This afternoon, the children have been learning all about the King's Coronation. We ended the day with a special celebration assembly during which the children sang the Coronation song they have been practising in honour of the event.

We wish Year 6 good luck for next week when they will be taking their SATs in mathematics, reading, spelling, grammar and punctuation. They have worked very hard in preparation and we are very proud of the determined and conscientious attitude they have shown over the last few weeks. We know that they will do their very best.

Please find below this week's newsletter. We are trialling a new streamlined format for our newsletter, we hope you find all the information easily accessible.

Have a relaxing bank holiday weekend and enjoy all the celebrations!

Miss Macklearn
Deputy Headteacher

Attendance
