

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Lucy James.

Our School Value this week is: Creation

"You can't use up creativity. The more you use, the more you have." - Maya Angelou

Dear Parents,

Her Majesty, The Queen

Over the course of the week the children have shown their respect to The Queen through their classwork, including prayers and in Worship. This afternoon we came together as a school to sing some special hymns dedicated to Her Majesty and to acknowledge and celebrate her amazing life of service and dedication to the country. If you are able to go up to Westminster Palace with your child over the weekend, please do let their class teacher know next week, as it would be lovely for the rest of their class to hear of the experience. I hope you are able to spend some time with your family on Monday to watch the funeral service and to remember The Queen in your own way.

School Life

The children are getting into their new routines in class and Reception have done very well in their first full week of school. Our corridor and hall displays are beginning to come alive with some beautiful artwork, which we hope you will be able to see over the coming weeks if you need to come in to school. Our extra-curricular clubs begin next week, which I know the children are excited about and will enjoy. I am very grateful to Mrs Forster, Mr King and Miss De Boissiere for all their help in planning and arranging for the clubs to be in place.

I hope you found the "Meet the Teacher" session helpful and informative this week, and thank you to all the parents who were able to join the meetings. If you have any questions or queries following the meetings, please do not hesitate to get in touch with your child's class teacher who will help clarify anything. The slides from the meetings will be emailed to you, and you will be able to access them from the school website:

Scooters and Bikes

If your child is coming to school on their scooter or bike, please remind them to dismount before they get to the boundary fence of the school, as the pavement area is very congested in the morning. This also applies to parents who are cycling, as we want to make sure we avoid any collisions and injuries. Scooters are not to be ridden by children on the playground after school, so please ensure your child is not doing this as the playground is very busy and congested and scooters damage the soft wet pour surface surrounding the Activity Trail.

The Activity Trail

We are very fortunate to have our Activity Trail on the playground, and the children love using it during the school day to help develop their gross motor skills and upper body strength. Children are welcome to use the Activity Trail at the end of the school day, but this is on the condition that they are supervised by their responsible adult (parent/carer/childminder). We have clear rules and guidance that the children follow during the school day (which are on the walls of the playground), and these rules should be adhered to if you allow your child to use the Activity Trail after 3.15pm. There are occasions when non-school age siblings are using the Activity Trail with minimal supervision from parents/carers. The last thing that we would want is an injury to a child from using the Activity Trail as a result of not being supervised by their responsible adult. School staff are not responsible for supervising children on the Activity Trail, but will speak to them if they are not using the equipment safely or in line with our playground rules.

Mr David Aldridge

You will have seen my email earlier in the week letting you know of the sad passing of Mr David Aldridge, who was the Headteacher of Bishop Perrin School for many years. Please remember him and his family in your thoughts and prayers.

Best wishes, **Mr Corke**

Please remember that Bishop Perrin is a nut-free school.

The Governors met for an Extraordinary Board meeting on Wednesday 7th September. They elected Fr David Cloake as Chair, Mr Russell Nimmo and Mrs Alwyn Williams as Co- Vice Chairs for the next one-year term of office.

The Governors were pleased to welcome the new members of staff that have joined the school this year.

Governors are looking forward to further working with the school for the next year ahead.

BEE-LIEVE RUGBY FUN DAY AT LONDON IRISH

-Sunday 2nd October

You will recall from last year that as a school we became involved with "Bee-lieve", a local charity that supports and promotes wellbeing in schools. We were able to raise some money for them with a mufti day, and in doing so we received some very supportive resources from Bee-lieve, along with some funding to send a member of staff on some specialised training. We are looking to continue our involvement with Bee-lieve, and in doing so would like to let you know about their rugby fun-day at London Irish Rugby Club on Sunday 2nd October. It is completely free, with lots of parking available. If you would like your child/ren to attend, please click on the link below to register so the organisers have an idea of how many children to expect. If you are able to attend, we hope you have a great afternoon! <https://forms.gle/iEEaAHU31nFL9rg8A>
