## Dear Parents,

### School Life

We have been incredibly proud of all the Year 6 children who have taken their end-of-Key Stage 2 SATs tests this week. They have worked hard all year and showed great determination and resilience this week when undertaking the tests. They were able to celebrate and relax on Thursday afternoon with a picnic lunch and play at Heathfield Rec. I would like to thank all the adults who have helped and supported the children to get ready for their tests, especially Miss Sweeney, Miss Macklearn and Mrs Keightley. Our thanks go to Mr Nimmo, one of our Governors, who came in to school all this week to help invigilate.

Year 1 had a lovely visit to Richmond Museum yesterday, travelling on the train and undertaking a workshop about toys when they got there. They too had a picnic lunch on Richmond Green before returning to school for the afternoon. Miss Macklearn reported that they were very well behaved and mature throughout the trip. Thank you to all the parents who were able to come along and help with the trip.

Well done to Year 2 who took part in their scooter safety session on the playground this afternoon with some instructors from Richmond Council.

We have a busy couple of weeks coming up in school, so it's a case of "hold on to your hat" with all these things happening:

- Anti-bullying Ambassador Training for some Year 3, 4 and 4 children at Nelson School
- Year 5 practising for their Singing Festival at Nelson School
- Our RE and Vision Governor visit with Mr Marriner, our Diocesan Advisor, and Governors
- The official opening and blessing of our new Outdoor Classroom with Mr and Mrs Perrin and Father David
- PC Smith, our Safer Schools Police Officer, visiting Year 6 for a safety talk
- Our Open School Morning which we hope you can attend
- Year 4 visiting Hampton Court

We'll keep you posted as to how all these things pan out, but please do check out our Twitter account where you'll get to read and see photos of all the things happening in school: [https://twitter.com/Bishop\\_Perrin](https://twitter.com/Bishop_Perrin)

Have a relaxing weekend and if you're watching the FA Cup Final on Saturday... hopefully it will be blue win!

## YOUTH SPORT TRUST

On Wednesday 11th May the Youth Sport Trust launched its new long-term strategy 'Inspiring Changemakers, Building Belonging'.

The research, commissioned by the Youth Sport Trust and conducted by YouGov, shows 83% of GB parents are concerned that children are spending too much time online and not enough time with one another. The findings also revealed that 80% of parents say that cuts to PE, sport and break times in school have a negative impact on young people's wellbeing.

The Youth Sport Trust wants every young person to learn in a healthy way what belonging really feels like, and for young people to have a positive personal identity which comes from play and sport.

The research among UK parents of children aged 18 and under carried out by YouGov found:

- 83% of parents are concerned that children are spending too much time online and not enough time with one another
- 81% of parents are concerned that young people aren't getting enough physical activity
- 80% of parents say that cuts to PE, sport and break times in school have a negative impact on young people's wellbeing.

Over the next 13 years of its new strategy, the Youth Sport Trust will dramatically change its approach to support those most in need. Starting locally and building momentum, it will galvanise and inspire changemakers to transform attitudes, improve practice and drive policy change.

The charity hopes that together the power of play and sport can be harnessed to build belonging for a generation, improving their health, fostering inclusion and developing character and leadership.

## BIKE AND BENCH DONATION

I am keen to expand the number of small bikes, trikes and scooters that are available for the children at school. As your children grow out of their bikes at home, and if they are in good condition, please consider donating them to us.

I am also looking for a replacement garden bench and table to use in our Outdoor Classroom. Again, if you are replacing your home garden furniture and what you have is in good condition, please consider donating it to us.

Thank you, Miss McAvoy
