Headteacher's Hello

Dear parents and carers,

It was lovely to see so many of you at our Open School Morning yesterday – thank you for coming! It is clear from your feedback that you enjoyed the opportunity to visit your child in their class and see their work. We were treated to some wonderful singing performances from our school choir and each of the classes, plus some impressive instrumental performances from some very talented musicians on the piano, guitar and clarinet.

A suggestion was made at our parent forum last week, that some parents would be keen to contribute items that the school may be in need of, and as such we have been encouraged to create a wish list. This gesture is very much appreciated. We will look in to how we might set up an Amazon wish list, but in the meantime, in the playground this afternoon there will be noticeboard with post-it notes on with items that we are currently in need of. If you would like to contribute something, please take the post-it note from the board so we know the item has been claimed, and drop the items into school at a convenient time for you. Thank you in advance for your generosity.

Today we say goodbye to Miss Mullins who has been teaching Reception class for the past few months. Miss Mullins has done a great job of teaching the children and providing a stable and consistent learning environment for them. She will be back at BP from time to time to do some supply cover for us, but I'd like to take this opportunity to express our thanks for all her hard work and commitment, and send her our very best wishes for the future.

We look forward to welcoming Miss Lancaster back after half term. Her recovery has been going well, and she is looking forward to coming back to school. Thank you to Mrs Place and Mrs Lawton who have been teaching Year 2 in Miss Lancaster's absence.

Don't forget, Monday 3rd June is an INSET day so the school is closed to pupils. We look forward to welcoming the children back from their half-term break on Tuesday 4th June.

Have a lovely bank-holiday weekend and enjoy the half-term break,

Miss Macklearn

Class texts for next half term

For next half term, the key texts for classes are listed below. We do have a supply of these books in school for use in class, but it is very helpful if your child is able to have their own copy. If your child has had their own copy of a class text during the year and no longer has a use for it, please consider donating it to our school supplies for future classes to use – thank you.

	Summer 2
Year 2	Charlie and the Chocolate Factory – Roald Dahl
Year 3	Planet Omar: Unexpected Super Spy – Zanib Mian
Year 4	Who Let the Gods Out? – Maz Evans
Year 5	Children of the Benin Kingdom - Dinah Orji
Year 6	Coming to England – Floella Benjamin

Year R and Year 1 will read a range of picture books over the course of the term. There is not a need for them to have their own copy of the book, but they are welcome to bring one in if they have it.

Crucifixes from around the world

We are looking to refresh our classroom Worship Areas and would like to demonstrate to the children that Christianity is a world-wide religion. To help us with this, if you are travelling abroad over the half-term or summer holidays, please consider bringing us back a crucifix or cross from that country. We would like to amass a collection of crucifix/crosses from across the world and display these on our Worship Areas. If you are able to bring back a crucifix and donate it to the school, we would be extremely grateful. Please send any crucifixes to the school office where they can be distributed across the school. Thank you in advance for your kind donations, Mrs Crinall.

Relationships and Sex Education

After half term, children in Year 4-6 will be having Relationships and Sex Education (RSE) lessons as part of PSHE. They will be taught using lesson plans and resources that are approved by the PSHE Association. Children in Years 4 and 5 will learn about puberty and children in Year 6 will learn about sex (in the context of a loving and committed relationship). You may find that children will want to talk about what they have learnt further at home. You may find the following books useful:

What's happening to me? (Girl) By Susan Meredith ISBN 9780746069950

What's happening to me? (Boy) By Alex Frith ISBN 9780746076637

If you have any questions, please speak to your child's class teacher. Thank you, Mrs Crinall.

Lego Donations

If you have any items of Lego that you no longer have a use for, please consider donating them to the school for our Lego club. Many thanks.
