Headteacher's Hello

Dear parents and carers,

I hope you had a lovely half term break.

Thank you for all the kind donations of curriculum resources that have come in this week in response to the wish list that we put out in the playground on the last day of last half term. We have had lots of resources donated that will help to supplement what we currently have in class and will help to see us through until the end of this term. Your generosity is much appreciated.

Well done to our Year 5 & 6 Borough Sports team who took part in a range of athletic competitions in the annual Borough Sports event at St, Mary's University on Wednesday. They competed with enthusiasm and effort to all their events and we are very proud of them and how well they represented our school. Thank you to Miss Holloway, Mrs Jasper and Mrs Keightley who accompanied the children to the event.

We have arranged for Emma Clarke, the borough's safeguarding adviser to lead a workshop for parents all about online safety. This will take place in the school hall on Tuesday 18th June at 08.45. With online safety an ever-growing priority for schools and parents alike, this is an incredibly important safety workshop and we strongly encourage you to attend if you can. This workshop will be full of sound advice and tips for keeping your children safe online, whilst providing the latest up-to-date information regarding platforms your children may be accessing or are starting to ask about. Please sign up [here](#) to let us know if you are planning to attend.

Yesterday, Year 2 enjoyed a visit to the Hounslow Islamic Centre. They were very well behaved as they enjoyed a guided tour of the Mosque. Thank you to Mrs Place for organising the trip and to all the adults who went along to support.

We have welcomed Perform 4 Schools to school today to lead a range of drama workshops for the children. These workshops are linked to their current theme of learning. Thank you to the School Association who funded this opportunity. Year 5 enjoyed a Shakespeare drama workshop before half term and they will be visiting the Orange Tree Theatre next week to see the performance of Hamlet that they were learning about.

Have a lovely weekend,

Miss Macklearn

Learning for this half term

To find out what your child will be learning about this half term please click [here](#).

Relationships and Sex Education

This half term, children in Year 4-6 will be having Relationships and Sex Education (RSE) lessons as part of PSHE. They will be taught using lesson plans and resources that are approved by the PSHE Association. Children in Years 4 and 5 will learn about puberty and children in Year 6 will learn about sex (in the context of a loving and committed relationship). You may find that children will want to talk about what they have learnt further at home. You may find the following books useful:

What's happening to me? (Girl) By Susan Meredith ISBN 9780746069950

What's happening to me? (Boy) By Alex Frith ISBN 9780746076637

If you have any questions, please speak to your child's class teacher. Thank you, Mrs Crinall.

Lego Donations

If you have any items of Lego that you no longer have a use for, please consider donating them to the school for our Lego club and Lego therapy. Many thanks.

Lost Property

To help reunite lost property items with their rightful owner, on Monday, the lost property items will be available out on a table in the forecourt before school, and the playground after school, for parents and carers to have a look through to see if they can identify any missing items. We are receiving an increasing number of reports of missing items. As always, it is very helpful in identifying the owner of lost property if it has a name clearly written in it. If the item is secondhand, please ensure the original owner's name is crossed out and replaced with the current owner's - thank you.

Garden centre donations

Thank you to Twickenham Plant Centre who have kindly donated a number of resources to support gardening and nutrition. Friendship Class have loved planting and harvesting potatoes and radishes and have cooked some tasty treats. At lunchtimes, the children have been gardening too and have used the donations to brighten up the entrance alleyway.

Child Safety Week

Child Safety Week is from 3rd-9th June. It is the Child Accident Prevention Trust's annual community education campaign, acting as a catalyst for thousands of safety conversations and activities UK-wide. They help families build confidence and skills in managing the real risks to children's safety so that all children to have the freedom to grow and learn, safe from serious harm. Please see here for tips and advice about preventing accidents at home (link to website when live).

And finally...

Next Wednesday afternoon is the swimming gala for KS2: an enjoyable sporting event, with the focus on active participation and effort.

Please make sure your child has their plain swimwear, yellow swim hat and goggles (if they wish) as per our uniform policy. If you would like to buy a BP swimming hat, then you can do so at the school office for £3.50 in cash only. Alternatively, any plain yellow swimming hat can be worn. They should come into school wearing their swimwear underneath their uniform, with their underwear and towel in a swim bag. This allows for a quick change at the pool and enable the gala to run on time.

Children are due to be back at school for the usual pick up time of 3.15pm. Children will not be dismissed from Teddington Pool.

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Miss McAvoy. In her absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Lucv James.
