

Dear Parents,

This school year has flown by, and as we come to our last day, it is important to recognise and acknowledge all the amazing achievements and progress that the children have been involved with and made this year. Over the course of this year they have grown in so many ways-spiritually, socially and academically. Your involvement in their development has been crucial, so thank you for all your support for your child and their education this year. We are lucky to have such committed and dedicated parent body who support the work that we do.

We wish all our Year 6 pupils all the best for the next step in their learning journey as they start Year 7 in September at their new schools. They have done really well this year in so many ways and we will miss them, but know that they are ready to start their new adventure. They have had a memorable final week with us, with a lovely Year 6 Leavers' Party here at school on Monday evening and then a special treat day of going to the cinema and bowling on Wednesday. We are very grateful to Turing House for driving the children in their minibuses there and back to the cinema complex in Feltham. We would like to also thank all the Year 6 parents, many of whom have had a long association with the school, for all you have done to help and support your child whilst at BP.

### **Leavers' Service**

We were able to say "Thank you and well done" to Year 6 today at a lovely Leavers' Service at St Augustine's Church. The children sang beautifully and of course it was quite emotional for the children (and the parents!). Thank you to all the parents who helped walk down and back from Church with us and thank you to Father John for hosting us and being so supportive. Thank you also to all the parents who came along to take part in the service, it was lovely to see you there on our last day.

Not only did we acknowledge the Year 6 children today at Church, we also thanked Ms Horton and Mr Ellam-Bell, who are finishing as members of staff today. We also wished Father David all the best for his new role in Teddington when he starts in September and we know all the members of St Philip and St James's will miss him and all the work he has done in the parish.

### **Sports Morning**

We had a wonderful morning on Tuesday of sports, challenges and competition. The children, both Infants and Juniors, loved taking part and thank you to all of the parents and extended family members who came along to watch, cheer and support. There were so many of you! It was great to have been able to use the Turing House sports field for the first time, as well as have some of their students and staff help us out on the day, so our thanks to them. I would also like to thank Miss Holloway and Mr King for all their help in the planning and organisation of the event.

### **Finally**

Without children and staff, Bishop Perrin School is but an empty building. The children bring the zest and enthusiasm to deepen their learning, but it is the staff who guide, nurture and support them. We are very lucky at Bishop Perrin to have such a dedicated and committed staff who want to do their best for the children. I would like to thank them, along with our volunteer Governors, for all they do for the children and the school.

On behalf of all the staff, thank you very much for all your kind cards, words and gifts that have been received. We are always grateful and taken back by your kindness and generosity.

With this being my last day at Bishop Perrin School before I take up my secondment at The Queen's School (which will be called "The King's" from September), I would like to thank you for all your good wishes and kind words. I will miss Bishop Perrin, the children, staff and yourselves but I know you will be in the safest of hands with Miss Macklearn, Miss McAvoy and Miss Sweeney leading the school next year.

I would like to wish you and your family a safe and restful summer break, and if you're able to get away, have a lovely time.

Best wishes,

Mr Corke

## Support Your Child To Read At Home

Please see the resources available through our school website to support you with developing your child's reading at home: [Bishop Perrin Website](#)

The Little Wandle resources are also available [here](#) and will show you how to pronounce all the sounds and give tips for questions to ask your child to develop their comprehension when they are reading, or being read to. If your child doesn't already have a library card for a local library, please consider registering them [here](#).

## #CEOPSummerChallenge

### CEOP Education

Supporting you to help protect children and young people from online sexual abuse

This summer, CEOP are hoping to get parents and carers to talk more and learn together with their children, through the #CEOPSummerChallenge. On Monday 24th July, they will be launching #CEOPSummerChallenge, six weeks of thematic challenges for parents and carers to complete with their children.

The challenge aims to you to talk regularly with your children about being online and how to be safer. Each week, you can choose one challenge (or more if you wish!), from four options per age group, for ages 4 to 11 and 11+. Topics covered in the challenge will be:

- Week 1: online security
- Week 2: a balanced view of being online
- Week 3: sharing photos online
- Week 4: socialising online
- Week 5: online videos
- Week 6: online gaming

Parents and carers can follow the challenge on our [Facebook](#) (Click CEOP), where they can look out for posts every Monday. The challenge will also be shared with our professional network on [Twitter](#) (@CEOPUK).

## Learn To Swim This Summer

Children can learn to swim this summer with our wide range of crash courses and workshops available at Teddington Pools & Fitness Centre and Pools on the Park.

Bookings can be made by calling us on 020 37722999 or at the in person at the centre reception.

## Safer Gaming Activity

The aim of gaming club is to provide a safe space to young people who enjoy online gaming in a safe and controlled environment while engaging with police free from the worry of online bullying and other behaviours that can be connected with online interaction. The sessions will be monitored by two police officers at all times who will be in the game monitoring all activity during the session and ensuring safeguarding of the young people. And to provide parents with peace of mind that their children are enjoying gaming in a safe space.

All games included will be age appropriate for all participants, a code to enter the game will be provided to parents prior to the start of the session via email, this will change on a daily basis, for games that do not require a code to enter a register will be taken to ensure all participants are invited to be there, anyone found not to be invited will be removed from the session to ensure safeguarding of the young people. For more information and/or to join please complete the attached form and send it to PC John Benbow [John.Benbow@met.police.uk](mailto:John.Benbow@met.police.uk) please also see flyer below.
