

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Lucy James.

**Dear Parents,**

### School Life

Year 6 have had an action-packed week with some canoeing and kayaking at the Lensbury Water Centre on Monday and then attending the Borough-organised Junior Citizen event in Bushy Park on Wednesday. Miss Sweeney reported back that they behaved really well for both trips, especially when travelling on the buses to get to the venues, and BP managed to come first, second and third in their respective teams out of eight teams in total at the Junior Citizen event-well done Year 6! Year 5 made a trip to St Augustine's on Tuesday and Year 2 visited Whitton Library this morning, with both classes enjoying the opportunity to do some learning outside of the classroom.

### Parent Interviews

Hopefully you have managed to book an appointment to see your child's teacher at our Autumn Term Parent Interviews. If you haven't made an appointment yet, please make sure you do as it is a great opportunity to find out how your child has settled in to their new class.

### Carousel Parent Workshop Evening-Thursday 3rd November

Plans are underway to be able to offer you the opportunity to come in to school on the evening of Thursday 3rd November to be able to take part in up to three different workshops being delivered by school staff and outside agencies. We're still finalising the menu of workshops on offer, but you will certainly be able to book on to workshops that will help you support your child with phonics, reading, writing and maths. The event is completely free and we will be offering a free crèche facility to support you in being able to attend. Please keep an eye out for further details in the coming weeks.

### After School Use of the Activity Trail

Unfortunately over the last couple of weeks we have had some injuries to children using the activity trail and climbing frame after school has finished. Staff have also observed children using the equipment and not being supervised by their parent/carer and not following the rules for using the equipment that we expect them to do during the school day. It is with regret therefore that children will now no longer be able to use any of the activity trail or the climbing frame after school. This also applies to younger pre-school siblings. The children have been told that they are not allowed to use the equipment in Worship today and we will appreciate your support in enforcing this.

### Staffing News

We are delighted to share with you the news that Mrs Crinall is pregnant with her second child. She will go on maternity leave at the beginning of March and we will update Year 5 parents about the teaching arrangements for the children for the rest of the academic year as soon as we are able to. We look forward to sharing the news of the new arrival to the Crinall household in due course.

### Mr David Aldridge

Miss Macklearn, Mrs Forster and myself were able to attend the funeral of Mr Aldridge this afternoon at St Augustine's as representatives of the Bishop Perrin School community to pay our respects and acknowledge Mr Aldridge's years of service and dedication to the school. Please keep his family in your thoughts and prayers at this time.

Have a lovely weekend,

**Mr Corke**

## PARENTS' SEMINAR FROM ADHD EMBRACE

I have been made aware of this webinar which may or may not be of interest to you. Please sign up if you think it might be helpful to you.

Tuesday 4<sup>th</sup> October 2022 8.00pm - 9.30pm

The importance of getting the right diagnosis so you can get the right support for your child.

Dr Claire Scott, Consultant Paediatrician, Supporting children with developmental, learning and behavioural difficulties.

<https://adhdembrace.org/civicism/event/info/?id=179>

Dr Scott take a holistic approach to assessing children with developmental, learning and behavioural difficulties. Accurate assessment means that children, and their parents, can be given the appropriate advice to ensure they can offer their children the best support.

This webinar will cover some key questions that parents have, such as:

- Does my child have ADHD?
- Do I need a diagnosis? And if so, how will it help?
- Getting the right support based on the child's needs?
- Whose job is it to support me – education versus health?
- Consideration of therapies such as OT and S&L Therapy

Kind regards,

Miss McAvoy  
Inclusion Leader
