Newsletter

Dear parents and carers,

There has been some unseasonal activity this week as the children have been busy creating their Christmas cards for this year! Look out for these cards coming home today, as you will have the opportunity to order copies of your children's designs in time for Christmas.

It was lovely to see so many of you at the Year 2 and 3 'Meet the Teacher' information meetings this week. Hopefully you found them to be useful and informative. The next opportunity to formally meet with class teachers will be in a couple of weeks' time at our parent consultations. Please refer to the letter that went out yesterday for details of how to book an appointment.

Next Thursday morning is our first class assembly of the new school year which will be delivered by Year 6. Parents of children in Year 6 are welcome to join us in the hall from 8.55 – 9.15am, to watch the children's presentation.

It has been brought to our attention that emails sent from LGFL mail (our email provider) are inadvertently being sent to junk folders or being blocked by the recipient's email server. This matter is currently being investigated by LGFL. In the meantime, if you believe you may have missed some email communication from us, it may be worth checking your email junk folder or just contact us at school.

And finally, it is with much sadness that I inform you that Mrs Forster will be leaving us at the end of this half term, in October. Mrs Forster has worked at Bishop Perrin School for 27 years. In that time she has seen many changes to the school and there is not a lot about Bishop Perrin School that she does not know! Her dedication and service to the school is admirable and we will be very sorry to see her go. However, we know that she has exciting times ahead as she takes on some new ventures.

Have a lovely weekend,
Miss Macklearn

Respect and consent assembly for ks2

On Monday, children in KS2 participated in an assembly linked to respect and consent. This video was shared with them: <https://www.aardman.com/latest-news/aardman-consent-film-opcc> Please follow up this assembly in your conversations at home and read this advice from the [NSPCC](#) about how to talk to children about consent.

NSPCC

The 5B's of behaviour at Bishop Perrin School

Please see [here](#) for a guide to pupil responsibilities for their own behaviour and more information about how we encourage children to make positive choices in their behaviour at school. Please support your child by reinforcing these messages and encouraging positive behaviour choices at home. If you have any concerns about your child's behaviour, please talk to their class teacher.

Playground

Our activity trails and climbing frames in the playground are available for children to play on at playtimes during the school day, but not after school as we do not have adequate supervision for them at this time.

As the playground and pathways get very busy at drop-off and pick-up time, we ask that children refrain from using their scooters whilst they are on the school premises. Many thanks for your cooperation.

The school calendar can be found permanently on our [website](#). All important dates and events such as clubs, class assemblies, trips etc. are here for your information.
