Our School Value this week is: Creation

Nature gives to every time and season some beauties of its own. – Charles Dickens

Dear Parents,

School Life

On Monday during Worship this week the children watched a film produced by the Diana Award around anti-bullying and what children can do if they are worried or concerned about someone else's behaviour. We were very fortunate last academic year to be able to send some children from the Juniors to undertake some training as Anti-bullying Ambassadors and over the course of this school year, they will be a visible presence on the playground in case other children are upset or have challenges during playtime. We speak often to the children about treating others the way you would like to be treated yourself, and although there are times when children do encounter situations where other children have not been as nice as they could be, we will always look to put strategies in place to resolve the situation in line with our Behaviour Policy. Please do not hesitate to contact your child's class teacher if you are made aware of any upset or incident with another child.

Year 1 very much enjoyed making their fruit kebabs in class yesterday so hopefully they can share all their newly acquired skills back home!

Harvest Mass

Next Wednesday (12th), Father David is leading our Harvest Mass, so thank you to everyone who has been able to send in donations of food which we will be passing on to the Whitton Foodbank. It's not too late to send donations in if you haven't already and we have some spaces for parents to join us for the service if you are free. If you do want to attend (9am), please contact the office to book your place.

Parent Interviews

Thank you to all the parents who have signed up for an appointment next week. We will be sending out an information leaflet to you about the parent interviews separately which we hope you find helpful. For those parents who have booked to have a virtual meeting with either Mrs Beith (for Year 1 on Tuesday 11th) or all the other teachers on Thursday 13th, you will need to log on to your child's Bishop Perrin Google account and click on Google Meets. Teachers will "let you in" to the meeting at your appointment time. Please ensure you can access your child's Google account prior to your appointment to make sure everything is working ok.

A BIG Thank you to some of our Parents!

On behalf of Miss Holloway and all the Reception children, we would like to say a big THANK YOU to all the Parents who were able to come along yesterday to help lift Reception's new play house up and over the boundary fence. We are very grateful for your help and we couldn't have done it without you!

Have a restful weekend.
