

If you have any concerns regarding the safeguarding of children who attend Bishop Perrin CE Primary School, these should be reported to the Designated Safeguarding Lead who is Mr Corke. In his absence, concerns should be reported to the Deputy Designated Safeguarding Lead who is Miss Macklearn. The School's Safeguarding Governor is Lucy James.

Our School Value this week is: Endurance

Dear Parents,

School Life

We welcome Year 6 back today from their school journey to Bowles Activity Centre in Tunbridge Wells. They have had a fantastic time and have thrown themselves (literally in some cases!) into all the activities such as dry-slope skiing, raft building, high ropes, abseiling, rock climbing and kayaking. This is the first time we have used Bowles, and the feedback has been really positive so our aim is to book again for next year's Year 6. Well done to all the children who have shown courage and independence, often doing things they have never done before. I am very grateful to Miss Sweeney, Mrs Keightley and Miss Macklearn who have all given up their own time to take the children away to enable them to enjoy such a great experience. Well done Year 6!

Well done too to Year 5 who visited the local Mosque in Hounslow on Monday this week. Mrs Crinall was very proud of the respect the children showed when they were shown around the building. Miss McAvoy was very proud of Reception class for being so safe and sensible when they walked to Whitton Library on Wednesday. They loved looking at the books and are very excited to complete the Summer Reading Challenge over the holidays. Year 2 also did well with their class visit by PC Smith to talk to them about being safe.

Next week will be just as eventful as this week with our Year 5 & 6 production of "Cinderella & Rockerfella" on Tuesday and Wednesday. The rest of the children will get a chance to see the performance on Monday afternoon, which I know they are very excited about. Along with the production, Years 2 and 4 (and some of Year 5 & 6 children) will be swimming at Lady Eleanor Holles School next week, which will be a great opportunity for them to get five consecutive swimming lessons in to help boost their confidence and technique in the water. We are very grateful to LEH for letting us use their swimming pool and thank you to Miss Holloway and Mrs Keightley for all their planning and preparation for the lessons. Our thanks also go to Mrs Lywood for all her help with delivering some of the swimming teaching.

Meeting New Teachers for September

Next week we are looking forward to welcoming Miss Rachel Lawrence to Bishop Perrin as our new Year 3 class teacher for September. Miss Lawrence will spend the week with us getting to know her new class and our school routines and procedures ahead of her official start in September. She will be available on the playground at the end of school, so if you are a current Year 2 parent, please introduce yourself to her. On Thursday next week after lunch, all the children in Reception to Year 5 will "move up" to their new classrooms for September to meet their new class teachers and spend some time getting to know them.

It has been lovely to meet some of our new Reception children who have come along this week for some sessions in the Reception Outdoor Classroom and Reception Classroom, allowing them to get familiar with staff and the space. We have two more drop-in sessions next week and look forward to meeting more of them.

End of Year Annual Written Reports

On Wednesday next week you will receive your child's end of year written report. Children in Year 1-6 will receive paper copies with some of the associated documents being sent by email. Reception parents will have their child's report emailed to them as a means of trialling this as a possible system for the future. You will also receive a link to a Google Form that will allow you to share your thoughts and feedback as to how your child has performed and progressed over the course of the academic year. We hope you find your child's report informative and supportive.

Please remember that Bishop Perrin is a nut-free school.

Summer Fete

With the weather looking good for Sunday, I hope you and your extended family can come and spend some time at our first Summer Fete in three years. I cannot stress how much thought, planning, time and dedication has gone in to organising the Fete by the School Association, so thank you to everyone who is sharing their time and expertise to help put the Fete on. A special mention and THANK YOU must go to our Joint Chairs: Mrs Becky Hards, Mrs Laura Burrell, Mr Andy Winters and Mrs Soraya Winters who have worked tirelessly. They have been amazing and we as a school are very lucky to have them put so much of their time into making the Fete happen. If you haven't bought a raffle ticket for the prized pair of tickets to the England vs New Zealand rugby match in November (just £5 per ticket), please do get one and encourage all your family and friends to buy one too. All the money raised at the Fete goes directly to the SA, which then supports all the children across the school, so everyone benefits.

Saying Goodbye to Valued Staff and the Leavers' Service

As we draw to the end of the school year, it will be tinged with sadness as we say "goodbye" to some dedicated and loyal members of staff who have served the school so well in their time with us. Mrs Keightley (27 years), Mrs Twitcher (16 years) and Mrs Cheriton (16 years) will all be leaving us at the end of term. All three of them will be joining us at St Augustine's on Tuesday 19th July for our Leavers' Service, at 10.30am, to which you are all very welcome to attend. Of course they will be joined by our Year 6 class who we will also be saying "goodbye" to. The service begins at 10.30am and the children will begin to walk to Church from BP at around 10am, so if you are able to help walk with your child's class, please let your child's class teacher know or drop us an email. Please do not park your car at St Augustine's as the space there is needed for the Homelink clients. We are very grateful to Fr John and Mrs Williams for all their help in hosting us at St Augustine's.

Thank you for your continued support and I hope to see many of you on Sunday...and feel free to throw a wet sponge at me when I'm in the stocks!

GREEN TEAM FACT

Some sorts of plastic break down into tiny bits, so marine animals end up eating them without realising it, and if people eat the fish they in return are also eating the plastic – Yuck!

Please remember that Bishop Perrin is a nut-free school.

Please ensure that your child has some dry underwear to change in to after their swimming lesson. LEH have a 'no hat no swim' policy in their pool, so it is vital that they have this.
